

Ask School Children to Help Preserve Workshop

Preservation of the log cabin workshop and the last resting place of Edward MacDowell, famous composer, in Peterboro, N. H., is to be sought by the National Federation of Music Clubs "as an heritage of American Art." Mrs. Edgar Stillman Kelley, president of the National federation, has announced a country-wide campaign among school children to obtain the \$300,000 endowment fund begun for the purpose two years ago.

Presentation of the endowment is planned for the biennial convention in Chicago, April 16-23. The name of every child who contributes is to be read aloud, the officers have announced, even if it takes more than an entire day to do so.

The officers of the North Shore MacDowell society are Frank Ambler of Evanston, president; Miss Barbara Erwin of Kenilworth, secretary; George Pope of Glencoe, treasurer.
