CHRISTMAS is the joyous time of giving; It is a time of generosity; Of cheerful sacrifice for others' pleasure; Of finding someone else more important than one's self. For really doing something consciously for Peace on Earth—Good Will to Men. These are fundamental things. They are as intimate as home itself. Why not give with the idea of Home?

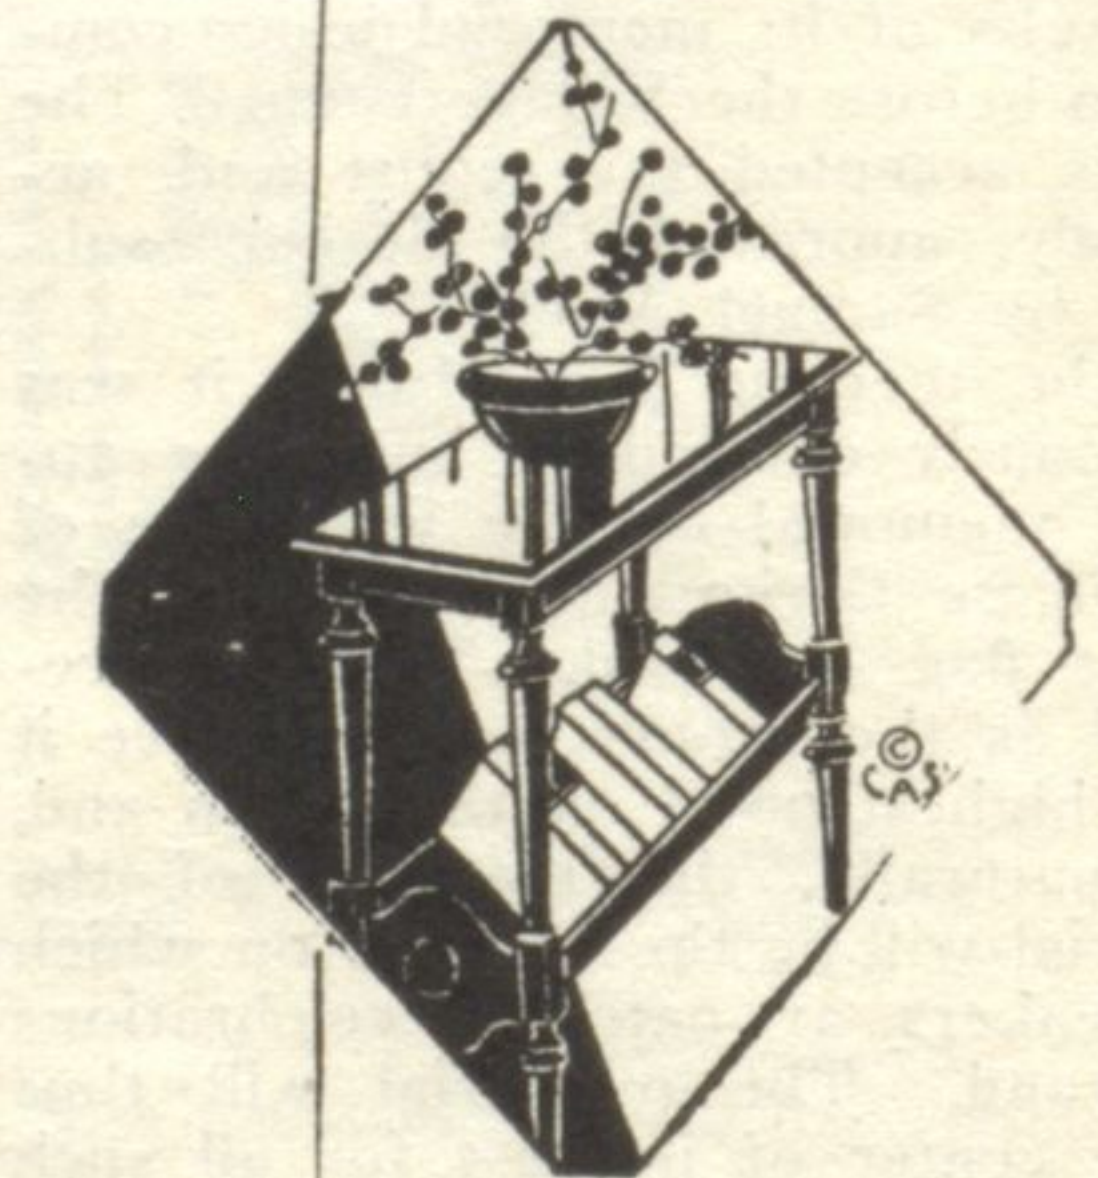

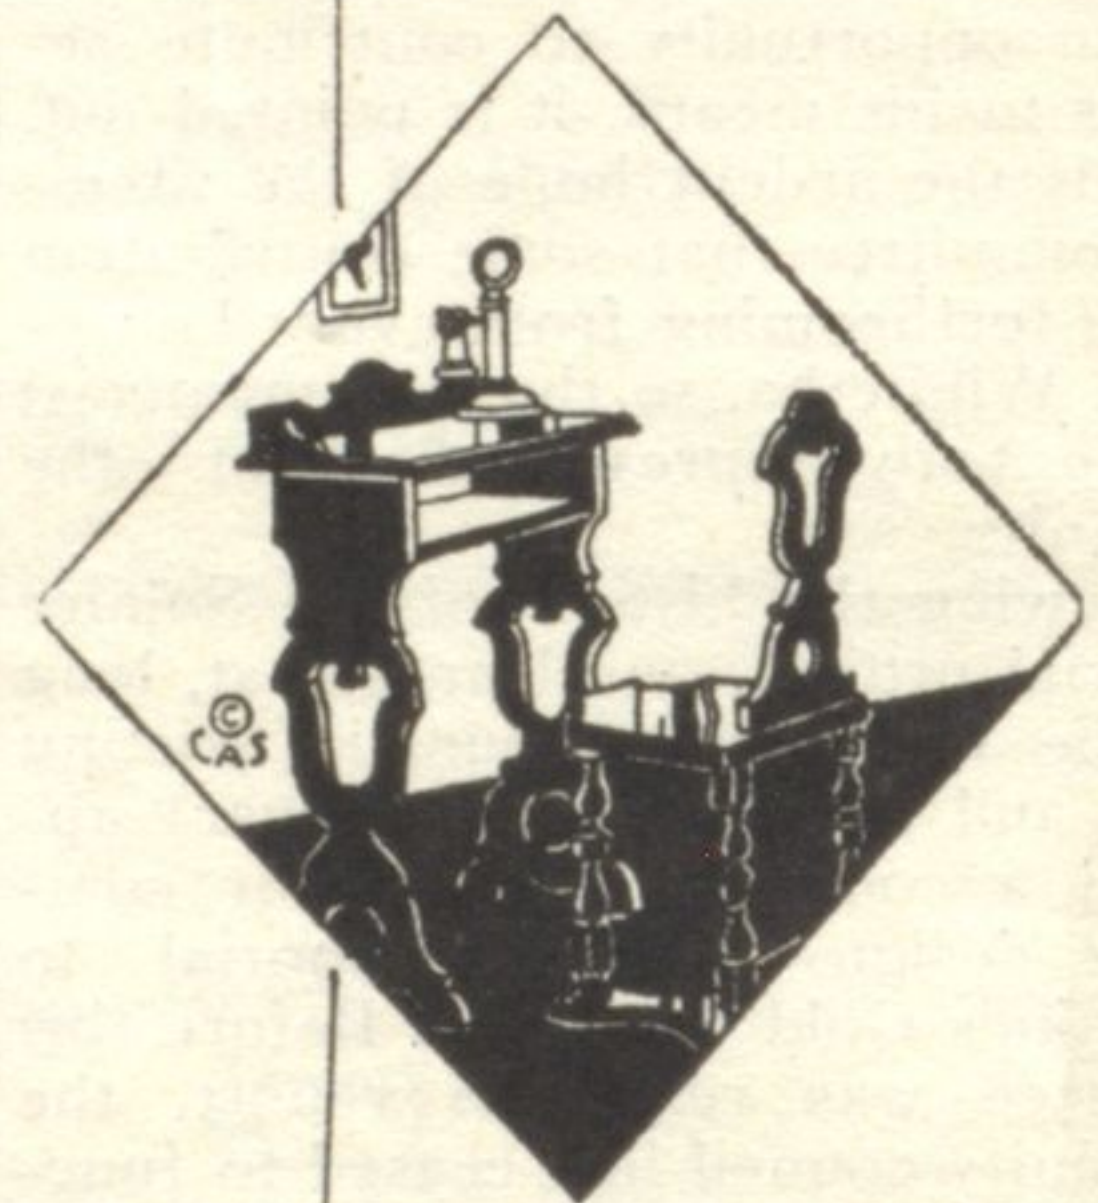

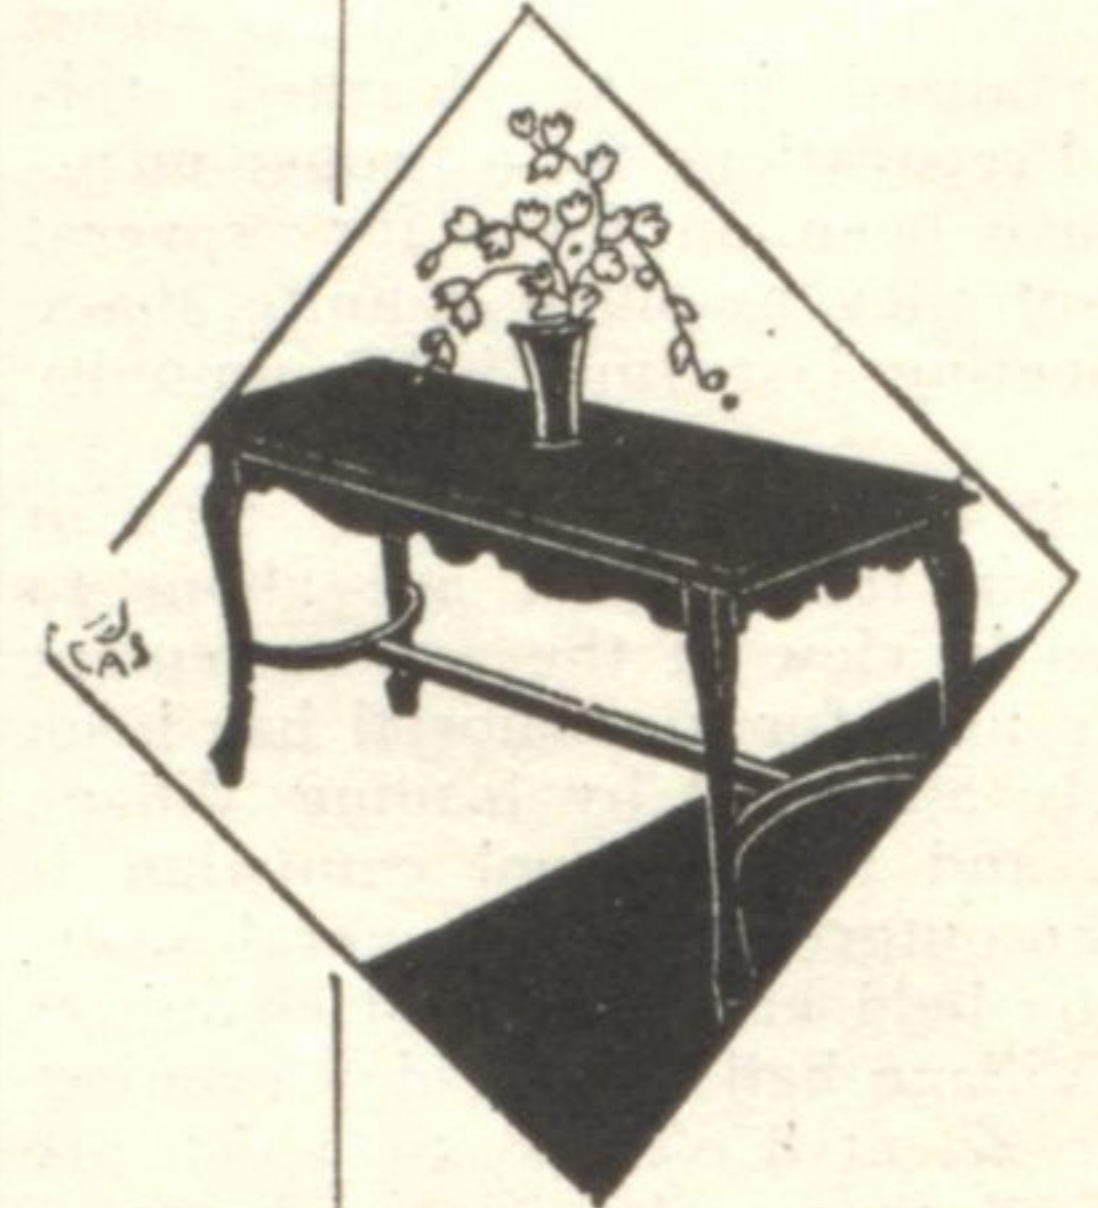

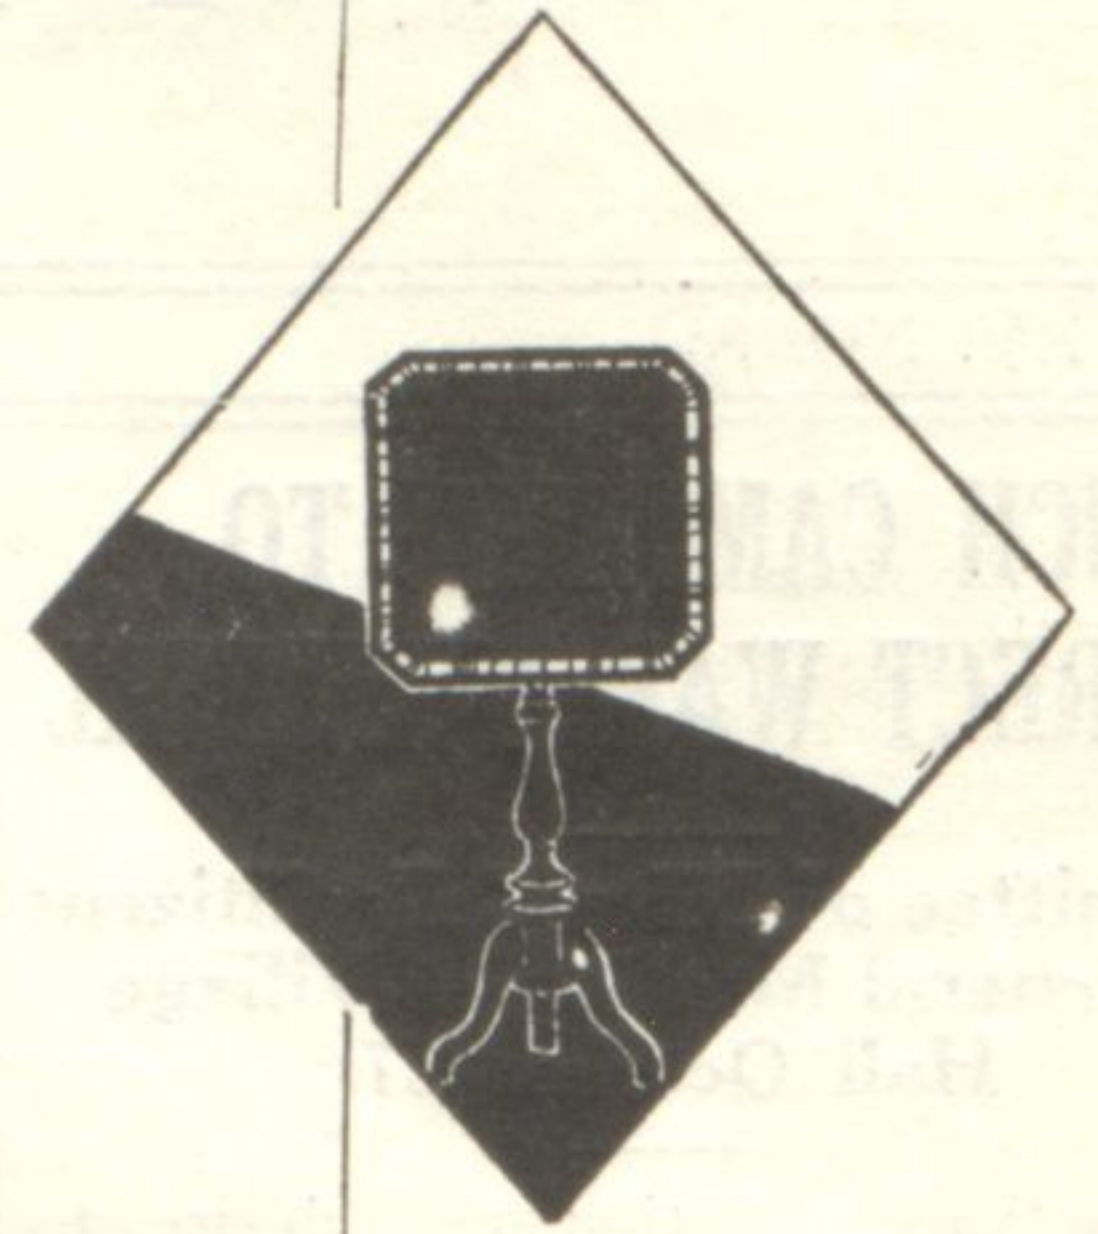

WE cordially invite you to visit our show-rooms where you will now see a complete line of imported and domestic smokers, novelties and gifts for Christmas.

You may pay a small deposit and continue paying until delivery at Christmas.
