

Service of Music to Aid Chicago Missions

Mrs. H. F. Rohrman, contralto; F. Wendelin, violinist, and Harold Pellex, organist, are to give a program of music in St. John's church Sunday evening, October 24, under auspices of the

Lutheran Young People's league of Chicago and vicinity. An offering at the service will be directed into a fund for the Chicago Lutheran missions.

Mrs. Francis Butler, Private road, is returning Saturday from New York, where she has been for ten days.

Winnetka Gridders Take Game from Evanstonians

The fast Winnetka football team defeated the strong Evanston Bearcats 13 to 0 in a hard battle played at the Skokie Playfield last Sunday. The Bearcats held the Winnetkans scoreless until in the second quarter when Phil Runnfeldt, left half for the home team, intercepted a Bearcat's pass on his forty yard line and ran sixty yards with perfect interference for a touchdown. The extra point after the touchdown was missed, scoring Winnetka 6, Bearcats 0.

Later on in the last quarter, the home team having the ball on its own twenty yard line, and five minutes to play, decided to get another touchdown which they did, due to the hard line smashes made by B. Carey, full-back, and the long and wide end runs made by R. Smith and Phil Runnfeldt, star half-backs, which gained about seventy-five yards with one half minute to play. Captain and quarterback Earl Flynn, decided to pass. He pased the ball to E. Belmont, left end, who caught the ball behind the visitor's goal for a touchdown. The extra point was made the same way. Next Sunday the Winnetka boys will play the Wilcats at the Skokie Playfield. The game is called for 2:30 o'clock. Everybody is welcome.

Mrs. Theodore Lee Brantley of 1071 Vine street, Winnetka, entertained several friends at luncheon, Wednesday, October 13.

PAVE CENTRAL STREET

New Concrete Roadway Along Car-line from Lincolnwood to Ridge to Be Opened This Week

Paving of Central street from Lincolnwood drive to Ridge road between the rails and between the tracks of the newly installed street car line has been completed and will be opened to traffic this week, it was announced by Charles F. Speed, manager of the Evanston Street Railway company. The paving was done by the company. The remainder of the street is to be paved by special assessment against the property owners, it is expected.

Completion of the new concrete pavement provides northwest Evanston with its only suitable outlet to the west. Central street is now the only paved street between Church street on the south and Wilmette avenue on the north which runs through to Ridge road.

Until the remainder of the street is paved motor traffic will use the space between the car tracks which is wide enough for cars to pass with safety.

Paving of the city's portion of the street at the earliest possible time was urged by Mr. Speed who pointed out that at many intersections the road is in bad condition and causes numerous machines to get stuck. Considerable inconvenience in the operation of street cars on the new stretch has resulted from large trucks running off the pavement and getting mired in the mud.

SOCIAL HYGIENE LECTURE

Dr. Rachele S. Yarros of Hull House will give an address on Social Hygiene before the students of the National Kindergarten and Elementary college this afternoon. The lecture is one of a series on Americanization which is being given at 2 Thursday afternoons in Harrison hall, and to which those interested in the subject are invited.

Mr. and Mrs. Carl Roth of Arbor Vitae road are leaving Winnetka for St. Louis where business dictates their new home shall be.

Bulbs and Perennials

If you want to have your garden in bloom next spring, you should plant your bulbs and perennials now! Don't wait any longer, for after the ground becomes frozen it will be too late so, we say it again:

PLANT NOW!

Hardy Lilies	Perennials	Breeder Tulips
Single Early Tulips	Peonies	Narcissus
Hyacinths	Darwin Tulips	Daffodils
		Crocuses

As Low as
50c
Per Dozen
