Our Famous Chamoisuede
Slipon, \$2.25

A beautifully tailored glove of chamoisuede as fine as a soft leather! The Bolton thumb and unusual construction of the fingers makes them fit perfectly, and since there is no strain, there is no tearing and pulling out at the seams. Mode, gray, natural and white.

The Vogue
of the
One Strap

When you consider how long the one-strap has been smart, you will realize that it has kept its popularity because it is an essentially pleasing type of shoe.

Here is one that is an excellent example of the properly-designed one-strap in the Red Cross Arch Tone make—
