To the splendid performance of the New, Improved Cadillac, the Evanston Branch adds a service of more than general completeness.

Motor cars always need service. Without it, none of them can long give the satisfaction which their owners rightly expect.

It is because Cadillac Motor Car Company fully appreciates this that it has built and equipped the most complete station along the North Shore—the Evanston Branch.

ANNOUNCE SELLOUT FOR N.U.-NOTRE DAME GAME

Football Fans to Witness Hardest Game of Season Saturday Afternoon

Ever since Northwestern's grid team held the famous Notre Dame four horsemen to a 13 to 6 score in 1924 the annual struggle between the two schools has come to be one of the foremost games in the Middle West. Last season the Wildcats lost to Rookne's men by a 13 to 10 score after holding them to a 10 to 0 count in the first half.

This year the contest on October 23 appears certain to be equally spectacular. Both schools are represented by the strongest elevens in years and the results of previous combats will only serve to boost the rivalry.

Already every seat in Northwestern's new football stadium has been sold for the contest. A crowd of 40,000 fans will witness the struggle and ticket manager, E. B. Davidson, estimated that if seats were available the game would draw a crowd of 80,000.

Although Notre Dame comes to Evanston this year with one of its greatest elevens the Purple entertains fond hopes of administering a setback to the Hoosiers. The determined stand of the Wildcats against the four horsemen two years ago is still fresh in the minds of the Northwestern followers.

On that occasion the Purple followers got a six point lead and it was not until the final moments of play that the Irish were able to put over the winning touchdown. This was accomplished when Layden intercepted a forward pass in midfield and raced over the goal.

Last season the game was equally hard fought. Northwestern again got away to an early lead and held this advantage throughout the first half. In the third quarter Notre Dame shoved over two touchdowns, winning the game 13 to 0.

Coach Thistlethwaite will put a formidable eleven against the Irish next Saturday. His backfield is well fortified with a number of talented performers with Captain Moon Baker and Leland "Tiny" Lewis topping the list. On the line are a number of able forwards including the veterans Johnson and R. Schuler at tackle and Fisher and Bovik at the ends.

Miss Jean McCallum of 888 Sheridan road, Glencoe, formerly of Wilmette, leaves today to be a guest at a house party in Grand Rapids, Mich. She will attend the Michigan-Illinois game.

George S. Massey of Kansas City, Mo., is visiting in the home of the A. W. Goodricks of 1050 Tower road.
