## R. E. Crosby New Agent of U. S. Gypsum Company

R. E. Crosby, of 566 Center street, Winnetka, well known north shore builder and for six years a resident of this village, has added to his activities that of agent of the U. S. Gypsum company.

This material, invaluable to builders and home owners, is called insulating powder. It is poured into walls and between floors, its purpose being to insulate against cold, as well as heat.

Mr. Crosby announces that old houses may be insulated as well as new ones, and is enthusiastic regarding the saving in fuel in houses thus treated.

He is using it in the construction of houses he is building in Winnetka and Glencoe.

Mrs. N. E. Watson of 325 Washington street, Glencoe, entertained the Teachers Bridge club of the Glencoe Public school, at a bridge party, in her home Thursday, October 14.

Mrs. Burton Atwood of 839 Elm street, has been spending a week in Kansas City, where she attended the Unity Conference. On her way home Mrs. Atwood stopped in Des Moines, Ia., to visit old friends and relatives.

## Put Traffic Policeman at Hubbard Woods Corner

The report of W. M. Peterson, Village chief of police to the Village Council at its meeting Tuesday evening, shows 56 arrests were made for violation of speed and traffic rules during the month of September. Fifty-one of those arrested were found guilty and paid fines and costs; three paid costs only, the fines being suspended and two, juveniles, were placed on probation. There were ten other arrests during the month, for various causes.

The report further shows that \$4,846 worth of stolen property was recovered; there were eleven automobile accidents; one death from a railroad accident and two stolen cars were recovered. The department recovered for citizens swindled by bogus checks, \$950.

Chief Peterson also reported that a crossing man has been placed at Gage and Linden avenues, Hubbard Woods, to regulate traffic and general police duties, from 8:00 a. m. to 9:30 a. m. and 3:30 p. m. to 6:30 p. m.

Mr. and Mrs. H. S. Stevens, formerly of 604 Drexel avenue, Glencoe, have sold their house and moved to 655 Lincoln avenue, Winnetka, where they will make their future home.

## SCHOOL CHILDREN Need Bowman's Milk

SCHOOLWORK takes its toll of energy. And so does rollicking, romping play. Offset this daily fatigue with Bowman's Milk. It is rich in body and bone building elements, rich in the vitamins that promote robust health.

Bowman's Milk is whole milk—just as rich in cream as when taken from the cow. And it is fresh! One taste of its delicious natural sweetness will convince you of that. Try it today. You'll be delighted with it. Remember there is no substitute for fresh milk.

Telephone our nearest distributing station or order from one of our courteous milkmen.
