

Lee Says:

WE are going to try THE same stunt that THE inquiring reporter DOES in the Tribune but INSTEAD of asking for QUESTIONS we are going TO let you folks try YOUR hand at writing COPY for our "ads" IN the WINNETKA TALK. IF you know a funny STORY or a funny INCIDENT that you can CONNECT up with some ARTICLE we have FOR sale, just sit down AND see what you can DO with it. For each "AD" or idea that we ACCEPT we will pay the AUTHOR one round silver DOLLAR. And while you ARE thinking about this IT might interest you to KNOW that we have just RECEIVED a new stock of KANTLEEK hot water BOTTLES and syringes. WHICH are waiting for an INVITATION out to your HOUSE. They're priced AT \$2.50 and \$2.75.

Adams

P. S.—
EACH "Ad" that appears
WILL bear the author's
NAME.

Fails to Lock His Car; Thieves Get There First

J. W. Rodgers of 850 Locust street is accustomed to drive his new sedan to the city, and to park it near Lake and Canal streets. Thursday, October 14, he parked the car as usual, and went to his office. A bit later, he had a strange feeling that he had not locked his car, and, following his premonition, went out to attend to the little detail. When he arrived at Lake and Canal streets, he found someone

had discovered his error, and had made away with the Buick.

Authorities are in search of the car, which was three months old, and in splendid condition.

VOTE NEXT TUESDAY!

Wherever corrupt government prevails it will be found that the men in office were elected, not by majorities as they are supposed to be in a democracy, but by a small minority. The "good citizens" who stay at home and fail to vote have elected the worst of office holders the country has known. Vote Tuesday!

Dependable!
and there's
a reason

QUALITY Meats and Groceries as a phrase is somewhat shopworn—but as the basis for conducting a business over a period of years, it carries weight.

ASK people that know which is the oldest grocery and market in Hubbard Woods.

Pioneer in Modern Teaching Methods Talk Before P. T. A.

More than two hundred mothers and teachers attended a Parent-Teacher meeting held Tuesday afternoon, October 26, at the Hubbard Woods school. Mrs. W. W. Shoemaker, president of the Hubbard Woods association reported on the work and aims of the organization.

Superintendent Carleton C. W. Washburne then introduced Miss Flora Cook, the speaker of the afternoon, who is head of the Francis Parker school of Chicago. Miss Cook taught Mr. Washburne many years ago, and because of this fact, her talk was especially appealing.

The audience felt that many of the ideals of the Winnetka Public school system were originally inspired by Miss Cook. Her idea of education is to let the child express himself in various channels, but he must be left alone to find his own work in an environment rich with opportunities. Social and creative work are stressed and school and home must co-operate in emotional, intellectual and health interests of the child. The audience was invited to visit the Frances Parker school to view the work done in the Toy Shop, which Miss Cook called "the acme of social and creative inspiration." The meeting was adjourned with a delightful, informal tea in the corridor of the school building.

VOTERS!

The Rotary club of Winnetka, always interested in public affairs, wishes to call upon every citizen to exercise great privilege of franchise, to express by the ballot his choice for men and measures, to be voted for Tuesday, November 2. This is your duty as well as privilege to have a say as to who shall handle the business of county, state and nation, for the next two years.

Do your duty!

Clark T. Northrop, Earl Weinstock, E. E. Adams, Thomas J. Lynch,—committee.
