I believe the Gill Oil Burner is the right oil burner for your home

and I assume all respon-
sibility for saying so when
I recommend its installation.

I MADE a very careful analysis of the
entire oil burner field in selecting a
burner of which I could make this state-
ment to people of the North Shore.

The Gill Oil Burner is automatic in
operation—dependable, simple, efficient.

I'll gladly tell you all you want to
know about the Gill Oil Burner — and
explain the reasons for backing it up
with my unqualified personal guaran-
tee.
