To the Independent Voters of New Trier:

We hope that you will carefully consider the character, ability and experience of the candidates, before voting at the election on November 2nd. We believe that the candidates on the Democratic ticket are superior to their opponents in these essential requirements, and, therefore, that they deserve your support. This is the basis on which we ask you to vote for them.

Public attention is naturally centered on the contest for United States Senator. We wish to call your attention to the past record of George E. Brennan, nominated by the Democratic Party for that high office.

As a boy Mr. Brennan worked in a coal mine; he read and studied and as a young man became a school teacher and, later, Assistant County Superintendent of Schools of Will County, Illinois. Today he is a successful business man. He has been for nearly 20 years the Chicago Manager of the United States Fidelity and Guaranty Company.

In 1921 Mr. Brennan became responsible for the nomination of ten Republican judges along with ten Democratic judges on the Democratic judicial ticket. This coalition ticket was elected, and the efforts of the Small-Lundin-Thompson machine to control the judiciary of Cook County were defeated.

In 1924 he secured the nomination of Norman K. Jones as the Democratic candidate for Governor against Len Small. New Trier, although normally overwhelmingly Republican, gave Jones a majority of its votes.

It was Mr. Brennan who brought about the nomination of the present admirable mayor of Chicago, William E. Dever.

George E. Brennan's fine record of public service is an assurance that, if elected, he will be an able and public spirited United States Senator.

We submit that Mr. Brennan and the other Democratic candidates deserve your vote.

Yours respectfully,

ROSSELL B. MASON,

326 Ridge Ave., Winnetka, Ill.

HENRY A. BERGER,

819 Chestnut Ave., Wilmette, Ill.

Democratic District Committeemen for the  
Township of New Trier.

### Sound Last Call to Get Recital Tickets

(By G. W.)

There is still one week left before the opening of the Artist-Recital series sponsored by the Winnetka Music club. When so famous a singer as Tito Schipa comes to the north shore, it is a great event musically. Edward Moore, music critic of the Chicago Tribune, in reviewing Mr. Schipa's concert at the auditorium last Sunday says: "In matters of poise, of lovely voice, of exquisitely graceful manner of singing, he is nothing short of superb."

To those who have neglected it, we wish to reiterate our request of last week, "Please mail at once your check to Mrs. Bessie Grant, Winnetka State bank, Winnetka, or you may find yourself minus a ticket on November 8, when Mr. Schipa gives his recital at New Trier High School auditorium.

Mrs. Alice Covey Fitzgerald of 826 Locust street, who has been visiting her sister, Mrs. A. E. Metcalfe of Channel Lake, has returned to her home. Mrs. Metcalfe plans to come to Winnetka shortly, to spend the winter with her sister.

### Break Ground for Vista del Lago's New Spanish Club

Discarding the conventional spade for the more effective plow, sponsors of Vista del Lago broke ground Tuesday for the new \$1,500,000 shore club that is to overlook the palisades of Lake Michigan on Sheridan road just south of Kenilworth.

Taking advantage of the equal-membership-rights-to-woman, fifty of the fair sex from Chicago and the north shore suburbs joined their husbands and brothers at the ceremonies, applauding Commodore J. Stuart Blackton, chairman of the board, and Hugh McLennan as furrows were turned on the site of Chicago's adoption of the southern California idea in beach front development.

In a brief resume of the evolution of clubs as marked by more than twenty shore clubs and 50,000 memberships within three years on the Pacific coast, Commodore Blackton attributed their success to Vista del Lago's motto—for every member of the family every day of the year.

John Reed Fugard, of Evanston, who has designed the seven-story structure in Spanish architectural lines, recounted his recent visit to the Spanish centers of Southern California and promised Chicago and its neighbors clubhouse design and colorings "of which Sorolla might well be proud."

Movies were taken of the ground breaking, which later are to be shown in the Spanish theater to be contained within the club. Many of the Wilmette, Kenilworth, Lake Forest, Winnetka and Glencoe residents participated in the filming. Completion of the beach unit was promised for use next summer.

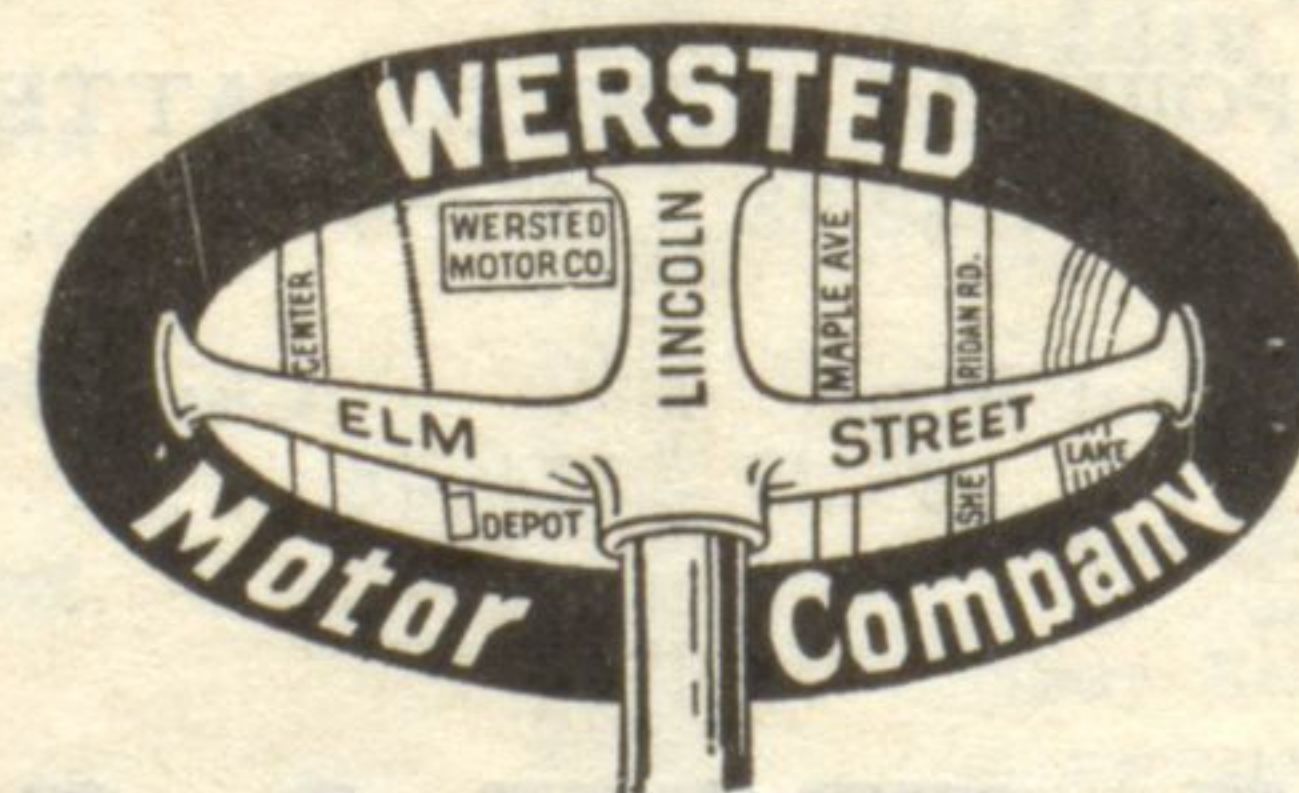

Miss Joy Fairman, daughter of Mr. and Mrs. F. W. Fairman of 600 Ash street is in the hospital recovering from an operation for appendicitis which occurred on October 22.

Mr. and Mrs. Charles Schwartz of 187 Ridge avenue entertained sixteen guests at a dinner dance, Saturday, October 16, at the Sunset Ridge Golf club.
