

WAU BUN, NEW TOWN

Area Two Miles Square Located West of Evanston, Formerly Northfield, Soon to Elect Officials

Only fifteen votes were polled against the proposition to incorporate as a village that section surrounding the new Skokie Valley station on Willow road, west of Winnetka, and to be known as Wau Bun. The proposition carried 63 to 15.

The election was held Saturday, October 23, at the store of Alex Levernier. The next step in the process of establishing a new village will be the election of a board of trustees and other officials.

The United Realty company already has subdivided into residence lots the 120 acres lying immediately east of the tracks and north of Willow road, where it also maintains a large real estate office for the sale and further development of its holdings.

Wau Bun, which was formerly known as Northfield, and which the North Shore line recently announced would continue to be the name, is now officially established since the election, as a village two miles square. The north boundary is on a line, extended, from Tower road or North avenue; the east boundary is near Hibbard road; the south boundary is Winnetka avenue and the west boundary, Kotz road.

The judges at the election last Saturday were Alex Levernier, John P. Happ and Mrs. Emma Higgins. The clerks were, Albert Ottone, Albert Gersdorf and Bernard Schildgen.

AUTO COLLISION

An automobile collision at the intersection of Linden avenue and Willow street, Winnetka, occurred Wednesday afternoon at 1 o'clock, when a car owned by E. H. Hicks and driven by H. M. Byer, of 40 Indian Hill road, collided with a machine driven by Harold Dahl, of 3617 Maple square, Chicago. Both cars were considerably damaged but no one was injured.

Mr. and Mrs. Mason Warner of 154 Church road, left Tuesday, October 26 for Washington, D. C. They are planning to spend a week at the convention of the "Four A's," as the American Association of Advertising Agents is called.

One of the interesting features of the week's program will be a formal dinner dance at the Mayflower hotel. President Coolidge is to be the guest of honor at this dance.

Mr. and Mrs. Warner's daughter, Miss Dorothy, is still in Redlands, Cal., where she expects to remain the entire winter.

Coat of Paint Dresses Up New Station for Firemen

The new fire station in Winnetka is being painted this week. The large double doors in the apparatus rooms have been placed in position and Chief Houren and his men are now counting the days until they can move in. There will be much work to do on the interior after they occupy their new quarters, but with the approach of cold weather the discommodities they will encounter by side-stepping the workmen occasionally, will be trivial as compared to longer hibernating in the temporary abode in which they enjoyed the summer.

POSTPONE MINSTRELS

The minstrel show planned by the Winnetka Masonic lodge has been postponed to the evenings of December 2 and 3, it was announced this week.

Mrs. Frank Neubacher, 792 Walden road will entertain twenty guests at luncheon Tuesday in honor of Mrs. Follett of New Orleans, who is visiting her daughter, Mrs. Charles Paterson of 370 Walnut street.
