Christian Science Churches

"Probation After Death" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, October 24.

The Golden Text was from John 5:25, "Verily, verily, I say unto you, The hour is coming, and now is, when the dead shall hear the voice of the Son of God: and they that hear shall live."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "If in this life only we have hope in Christ, we are of all men most miserable. But now is Christ risen from the dead, and become the firstfruits of them that slept. For he must reign, till he hath put all enemies under his feet. The last enemy that shall be destroyed is death" (I Cor. 15:19, 20, 25, 26).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "The Bible calls death an enemy, and Jesus overcame death and the grave instead of yielding to them. He was 'the way.' To him, therefore, death was not the threshold over which he must pass into living glory" (p. 39).

Red Cross Home "Hy" Course Gains in Favor

The general application of the American Red Cross course in home hygiene care of the sick, was put into practical demonstration at the time of the "Flu" epidemic in 1918, when such distress was caused by the lack of knowing how to care for the members of the family stricken at that time. Since then the need for such a course has been so felt that 32,000 Red Cross certificates have been issued in Cook, DuPage and Lake counties, to women and girls who have completed the course.
