

Call Your Dealer *He is ready to supply you*

Telephone your dealer now and arrange to fill your bin for the winter with Chicago Solvay Coke — then your home will be comfortably heated because Chicago Solvay Coke is a manufactured fuel, in which quality has been maintained at a uniform high standard for 21 years. It is the dependable fuel for the home.

Order Chicago Solvay Coke by full name. Un-named cokes often are poorly prepared and cause dissatisfaction. Back of Chicago Solvay Coke is a large plant in Chicago — three hundred established dealers — a corps of service men and thousands of city and suburban satisfied customers.

Your dealer will arrange to have a Service Man call at your convenience. He will inspect your heating plant and recommend the fuel best suited to provide you with heating comfort at lowest cost. Chicago Solvay Coke is 25% cheaper than hard coal and now costs less than the best grades of soft coal. It is clean, burns without smoke and soot and leaves few ashes to handle. Call your dealer right now and order —
