

### Community Center Unfolds Hallowe'en Thrills for 2,500

Were you among those 2,500 present in Community House Hallowe'en? If so you were one eye-witness to one of the most joy-giving times to youngsters the village has ever seen. Spooks, fortune tellers, Captain Kids, pirates and the surprising grab bag furnished many thrills, while motion pictures, sleight of hand performances, a Punch and Judy show, and chalk talk artists and others gave happy entertainment to a succession of audiences. The Gymnasium was the scene of many tests of skill and strength, which furnished fun and thrills to participants as well as to a large crowd of on-lookers.

Everyone was treated to an ice cream cone and stick of candy before leaving the building, to say nothing of the apples given by the mighty pirates to those lucky enough to hit the wild monkey in the jungle. Many of the guests were in gay Hallowe'en costumes.

A prize was given to the boy and the girl having the best costume. The girls' prize was awarded to Mary Jane Stevenson, and the boys' to Arthur Henning. Community House was attractively decorated for the occasion.

Large groups of public spirited men and women worked hard to make this evening a success and the result was a happy time for everybody. Thanks are due the following chairmen and their committees, and especially the general chairman, Mr. A. Earl Bryson. The committee chairmen were: Burton H. Atwood, Jr., Herbert W. Paulson, Mrs. Arthur W. Cushman, Mrs. J. M. Coulter, Benj. J. Kellum, Dr. James Fonda, Mancell T. Clark, Miss Mary King, Thos. J. Lynch, Harry P. Clarke, A. Lee Adams, Thos. N. Wheatley.

### U. S. Chamber of Commerce Man to Address Local Men

Harry Baxter, district secretary of the Field department of the Chamber of Commerce of the United States, will attend the next dinner and meeting of the Winnetka Chamber of Commerce at Community House, Monday evening, November 8, at 7 o'clock.

Mr. Baxter is well posted on the United States Chamber of Commerce affairs and will speak on the relation of the National organization to the Winnetka Chamber of Commerce.

At this dinner also will be present the following officers of the Illinois Chamber of Commerce: Harvey T. Hill, general secretary; J. H. Hudson, who is organizing the new retail division of the state organization and Lester B. Colby, staff correspondent. Messrs. Hill and Hudson have just returned from an Eastern speaking tour. Mr. Colby has been writing the articles on "Rediscovering Illinois," which have been appearing in the daily press.

Prof. John Borino of the Winnetka Music studio will furnish the music at the dinner.

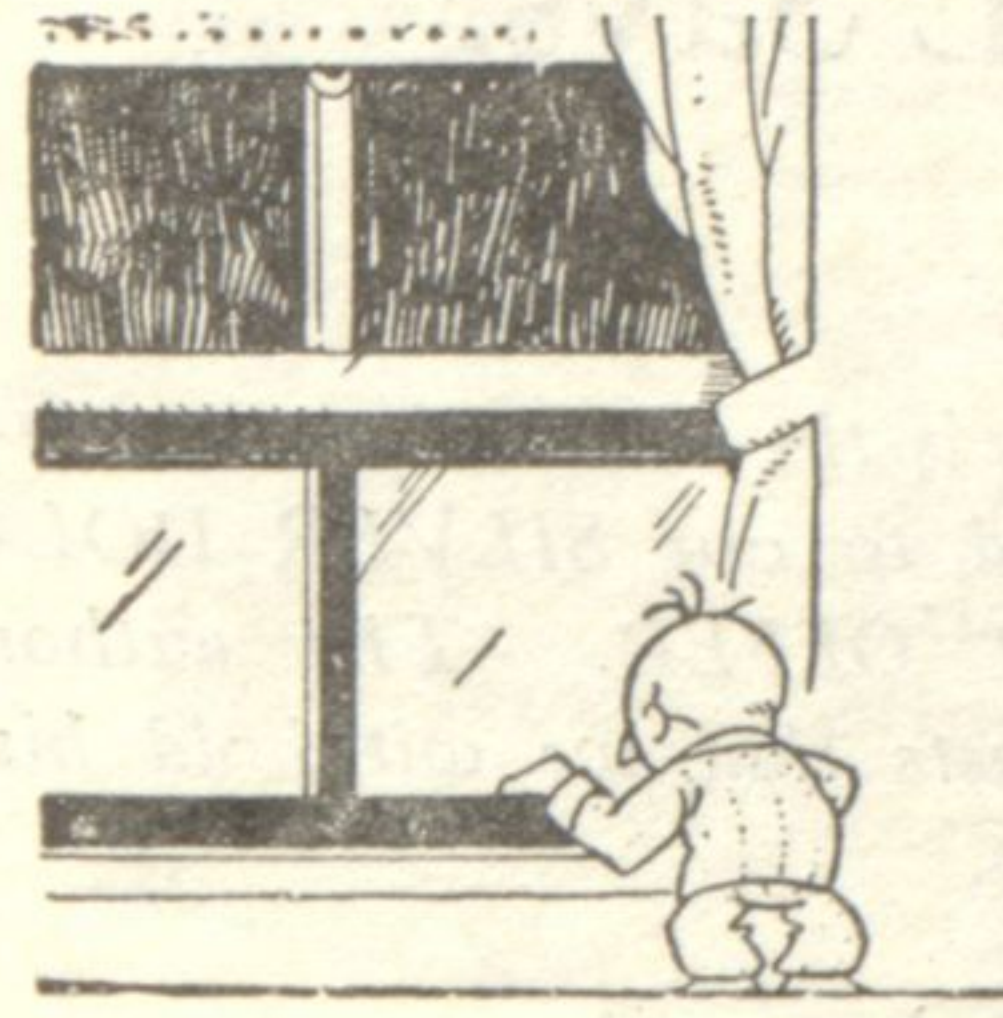

### Fort Sheridan Squad Will Help Armistice Day

Arrangements have been made for the observance of Armistice day Thursday, November 11, by Winnetka post No. 10, American Legion.

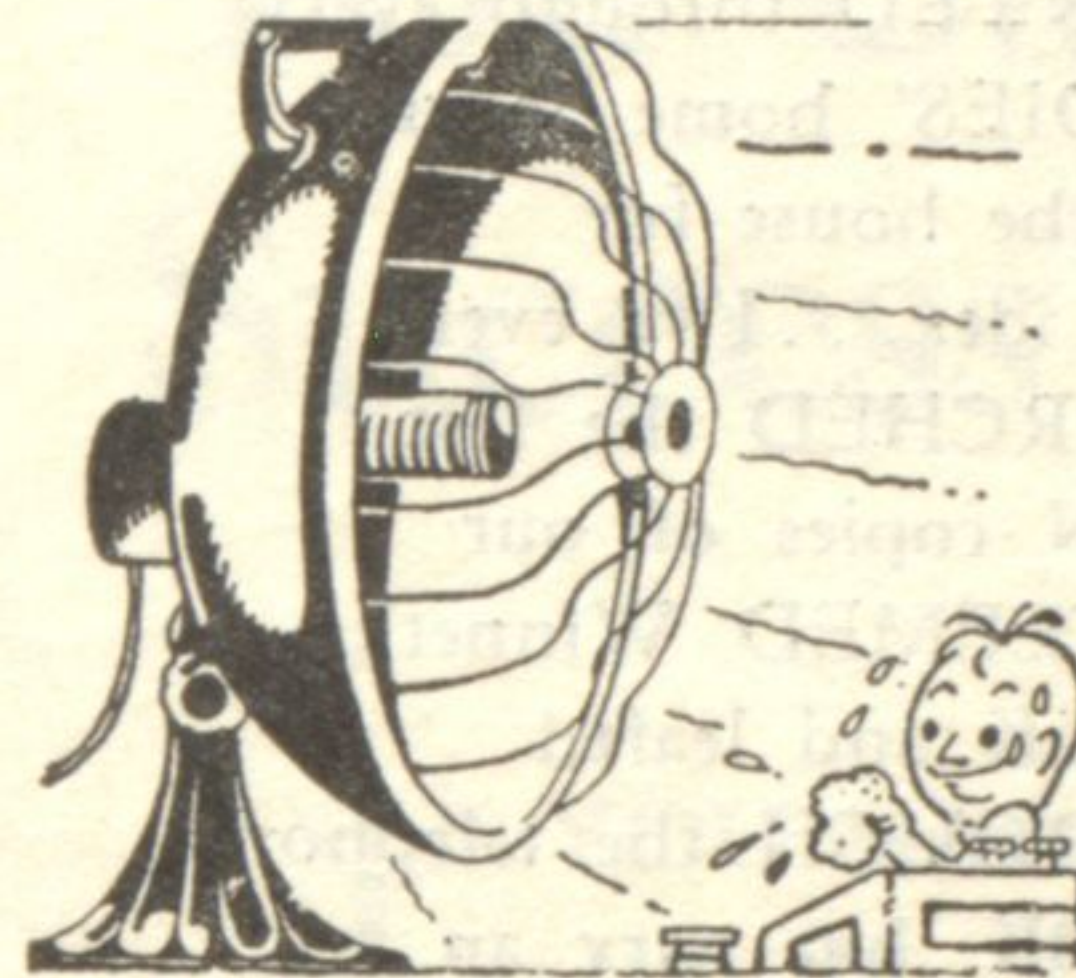

A Squad from Fort Sheridan will meet the post colors at Community House and escort them to the steps of the Village hall, fire a salute, and sound taps. This service will be at 11 o'clock and will be in charge of E. G. Howell, Sr., vice-commander-in-chief of the post. The public is invited.

Following the exercises at the Village hall, it is planned for Rev. Thomas A. Goodwin to make a short address to the pupils at Skokie school.

### Twas Said;—

That two Brothers in the Bowery met and Sol said "What is it you got on?" And Sam said, "It's a golfing suit." "But," cried Sol, "It's six sizes too large for you." "Shh!" said Sam, "Dey all cost the same."

Now that is the trouble with lots of us. We look no further than the price tag. At our store however, you are protected from any misjudgment of your purchase being best suited to your needs, for we do not hesitate to sell you something at a lower price if it is all you require or to recommend other things that experience has proven to us will give you better returns for what you pay in the long run.

This is the surest way to both save more money and get the most for what you pay.
