

Women Aid State Board in Diphtheria Campaign

The Illinois Council of Parent-Teacher associations, the Illinois Federation of Women's clubs and the Illinois Dental society have officially joined with the State Department of Public Health in a sixty-day state-wide diphtheria eradication campaign which will be carried out during November and December, it was announced this week by Dr. Rawlings, state health director.

To let every parent of the 1,000,000 children in the state under seven years

of age know that they have the opportunity and privilege of completely protecting their children from diphtheria and to make absolutely clear to everyone the difference between "antitoxin" and "toxin-antitoxin" is the purpose of the undertaking. It is expected that the campaign will add considerable momentum to the falling incidence of diphtheria which has already been sufficiently phenomenal to attract the envious notice of Europeans where the disease has actually increased of late.

Mr. and Mrs. Parker Blaire of 661 Blackthorn road, have left for French Lick springs.

Wilmette Man Official of National Safety Body

H. M. Webber of 1219 Elmwood avenue, Wilmette, was elected vice-president of the National Safety council at the meeting in Detroit last week. Mr. Webber was also re-elected treasurer, a position which he has held during the past year. Mr. and Mrs. Webber returned from Detroit Saturday. Mr. Webber represented the Illinois Bell Telephone company.

Mrs. Fred D. Breit, 422 Essex road, Kenilworth entertained sixteen guests at Sunday evening tea October 31.

Horace Bridges to Talk About Religion of College Student

Horace J. Bridges, well known as the leader of the Chicago Ethical society, will speak on "Religious Difficulties of College Students" in the first of a series of Sunday afternoon talks he is to give throughout the winter at the Orrington hotel.

Mr. Bridges will talk in the ball room of the hotel at 5:15 o'clock on November 7. The current exhibit in the ball room of the hotel of loan paintings from Evanston homes will make attendance at the lecture of double interest.

The public is invited to this series of talks, which has been sponsored by a number of Evanston people. This group of individuals has secured Mr. Bridges to speak in the belief that there are many people on the north shore who will be glad to have an opportunity to hear Mr. Bridges.

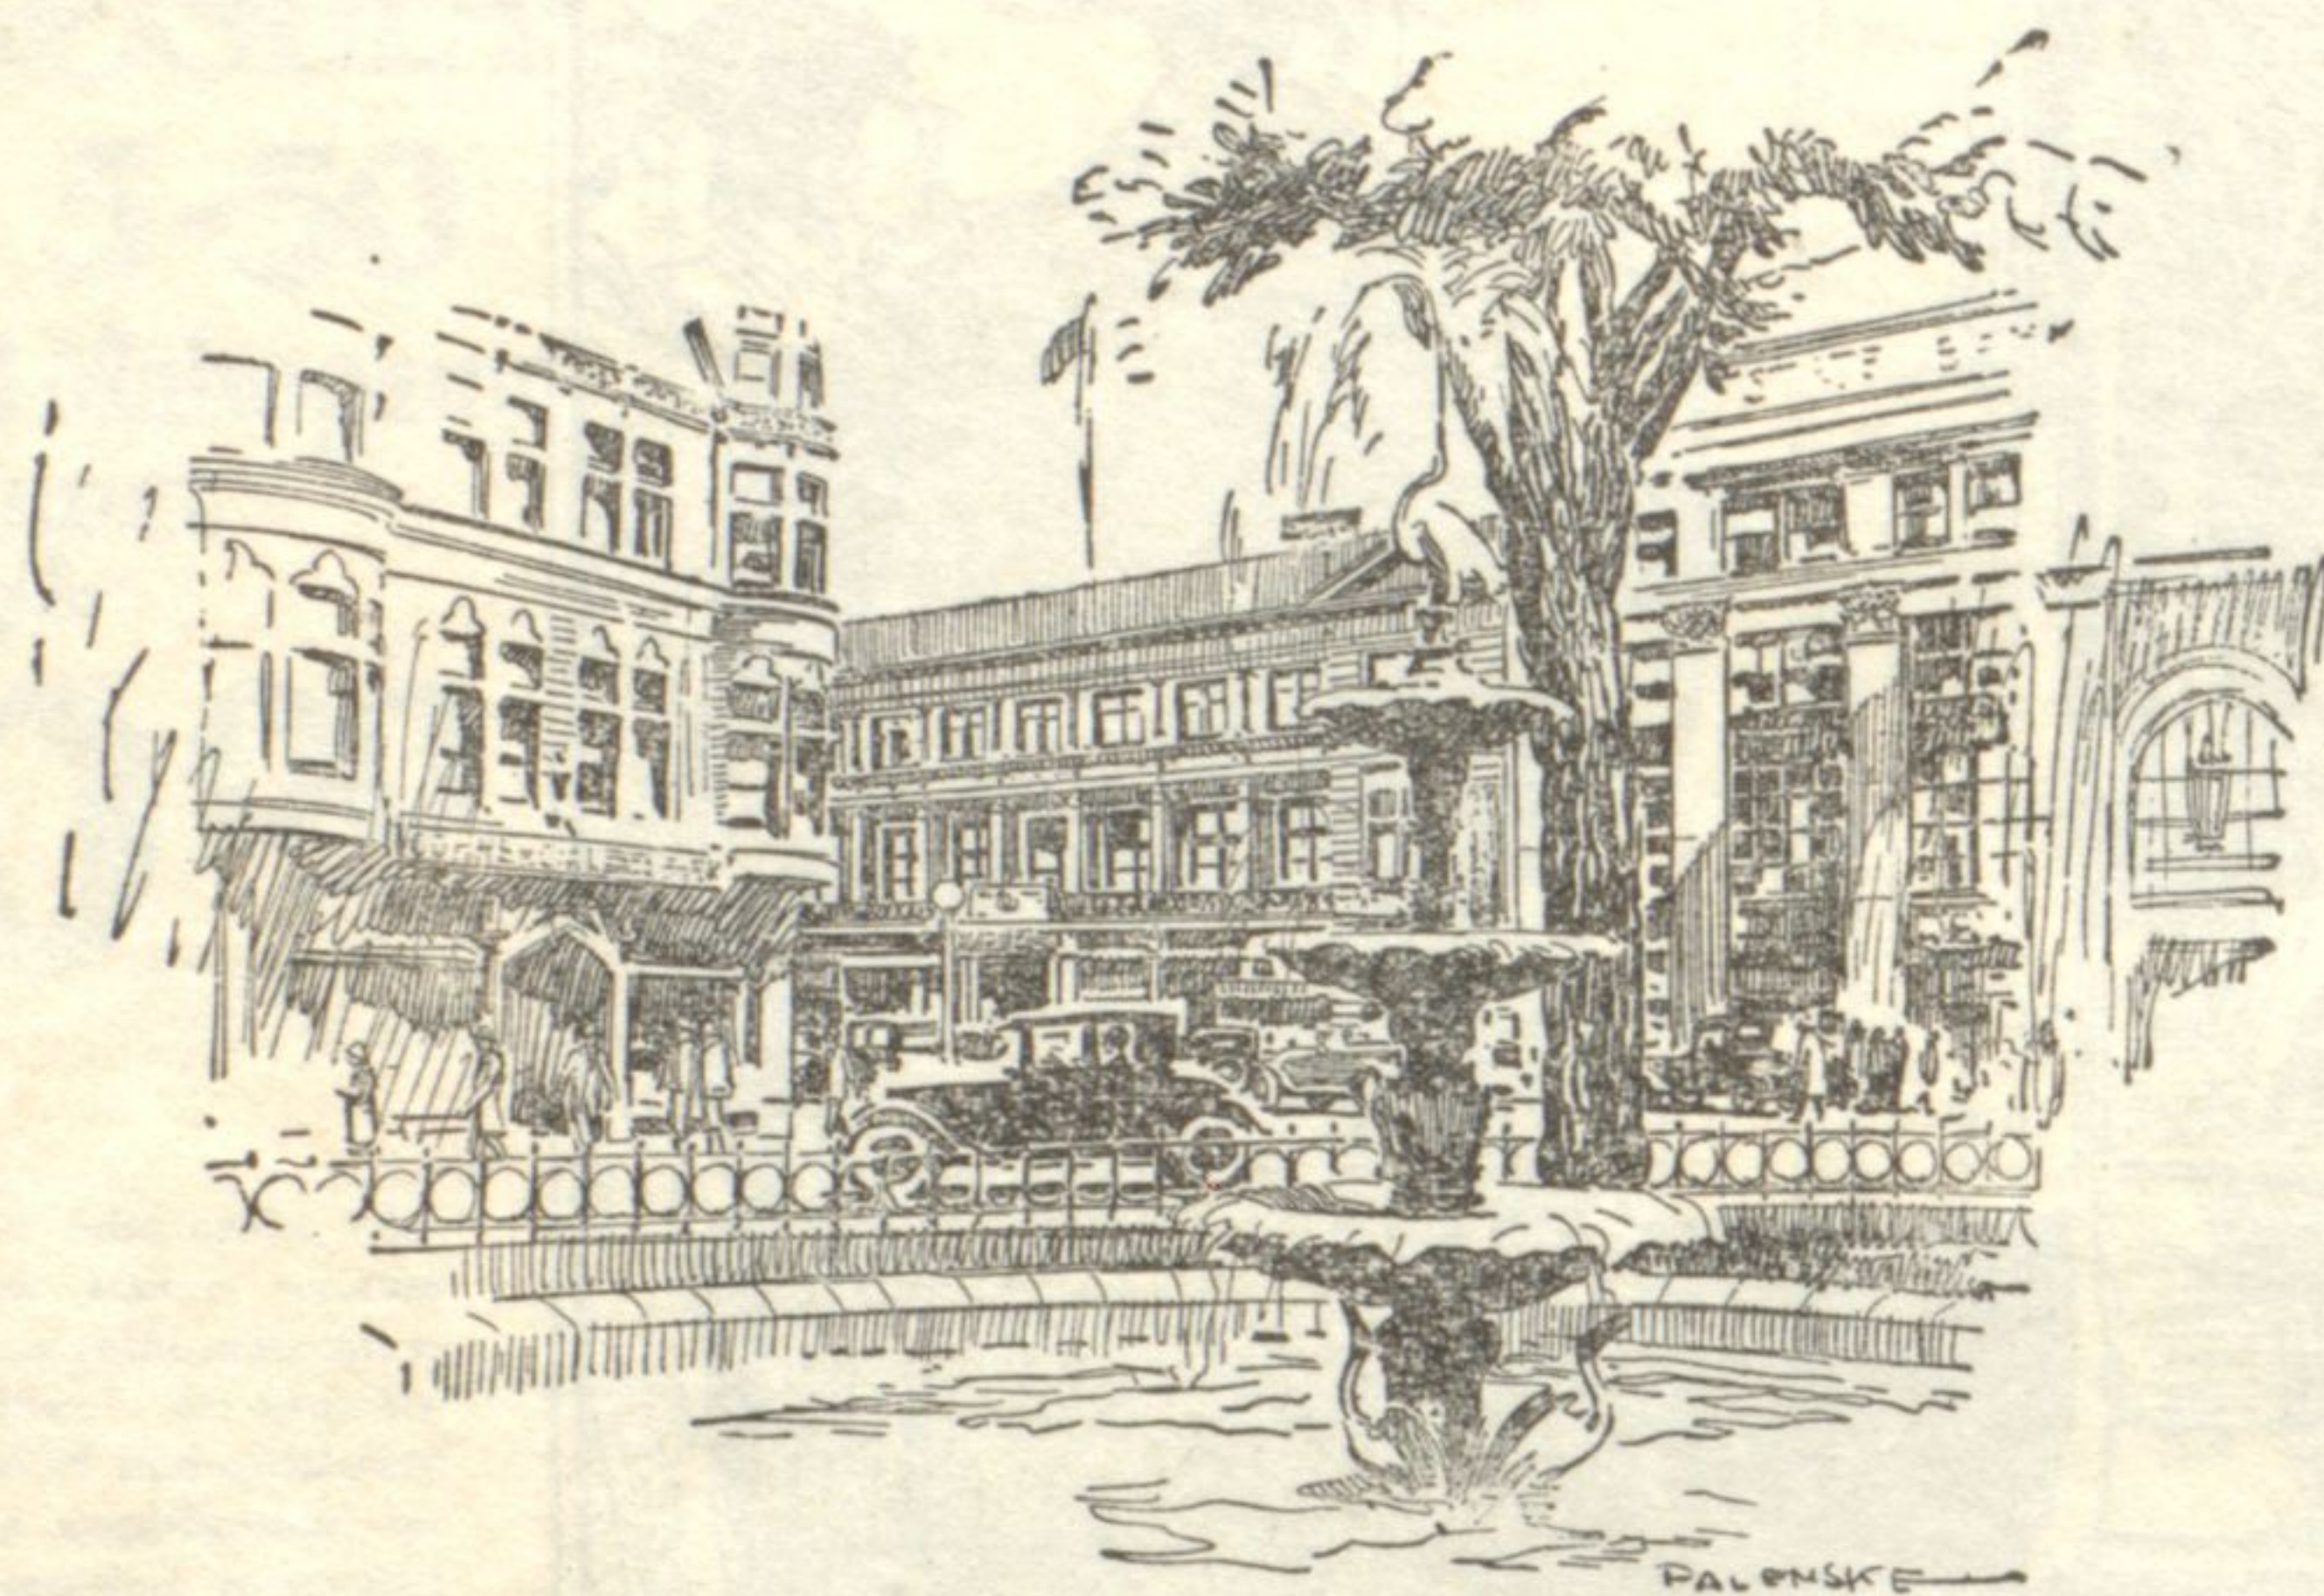

J. Duncan Clarke of the Chicago Evening Post will introduce Mr. Bridges at the first of these talks, Sunday afternoon.

GIVE HOUSE WARMING

Mr. and Mrs. C. L. Chatwin of 792 Spruce street entertained the Forest Glen Literary society, some thirty in number, who motored to Winnetka for a Hallowe'en party in the Chatwin's new home, Saturday evening, October 30. Refreshments were served, and games and music furnished the entertainment. The party was termed a housewarming as the Chatwin's have just moved to Winnetka, and into their new house.

Another passenger transportation record was made a short time ago by the Chicago "L" system when 969 cars entered the Loop during the early morning rush hour.

The first stretch of Lincoln Highway paving west of Chicago was in Sterling township and followed a "hewn trail" marked out years ago by Hezekiah Brink, a pioneer trail maker.
