"Acquisitiveness and Generosity" was the subject of an interesting radio talk given by Miss Edna Dean Baker, president of the National Kindergarten and Elementary college over the Daily News station, WMAQ, on Wednesday afternoon, November 3.

The address was the first of a series on child training which will be given at 4:15 o'clock on the afternoon of the first Wednesday of each month during the winter, for the benefit of mothers who are confronted with many serious problems in the moral-social education of little children. A similar series was conducted by the college last winter, and proved of great interest to many mothers.
