

Wilmette Boys Active at University of Iowa

The Daily Iowan, official student newspaper at the University of Iowa, numbers among its night news editors, Donald F. Saunders, a former Wilmette boy. The following is quoted from a recent issue:

"After three days of examination as to eligibility, good standing and qualifications, a qualified list of candidates

for liberal arts class officers was released by the student council examinations committee."

Among the freshman candidates appears the name of Charles F. Lauer, Wilmette. It is interesting to note that both these young men lived on Forest avenue.

Dr. and Mrs. Paul Starr have gone to 1078 Spencer street after spending the summer at 695 Prospect avenue.

Maj. Gen. O'Ryan Is Armistice Day Speaker

An Armistice Day committee representing twenty-four civic, religious and social organizations in Chicago, has planned a meeting for the afternoon of Thursday, November 11, at 3:30 o'clock at Orchestra hall

The orator of the occasion will be Major-General John F. O'Ryan, who holds many military honors from various nations for his part in the World war. He is an ardent advocate of peace and the author of the imperishable sentence, "I should be a traitor to my country if I did not do everything in my power to abolish war."

George W. Dixon will preside at the meeting. There will be music and the invocation will be offered by Rabbi Solomon B. Freehof and the benediction will be pronounced by the Rev. Siedenburg, S. J.

Seats are free and the doors will be open to the public without tickets after 3:20 o'clock, it is announced. Tickets may be secured upon application to the secretary of the committee, Miss Ella Boynton, 360 N. Michigan avenue, or to the office of the Chicago Church Federation, 1304 Chicago Temple.

BETROTHAL ANNOUNCED

The announcement of the engagement of Paul Jungnich of Berlin, Germany and Miss Maria Stenzel, daughter of Mr. and Mrs. Joseph W. Stenzel of Trachenberg, Germany, was made known at a supper party given last Sunday at the residence of Mr. and Mrs. Frank Borovocka of 748 Center street. There were twenty guests. No date has been set for the wedding which will probably take place in the summer.

Mrs. Justus Chancellor, 333 Fairview avenue, was the speaker Tuesday when the Chicago Culture club was hostess for a meeting of the First district, Illinois Federation of Women's clubs, at the La Salle hotel. Mrs. Thomas Starr Harper presided.

SPEAKS IN EVANSTON

Frederick Pierce, Noted Psychologist to Give Series of Addresses at Evanston Country Club

Frederick Pierce, the internationally known lecturer and psychologist, is to give a series of lectures early in November at the Country club in Evanston. Mr. Pierce gave a similar series last winter before the Fortnightly club of Chicago. This series was so enthusiastically received, it is said, that the secretary of the Fortnightly club took immediate measures to insure a return engagement during the present season. The many residents of the north shore who heard him are said to be unanimous in their praises.

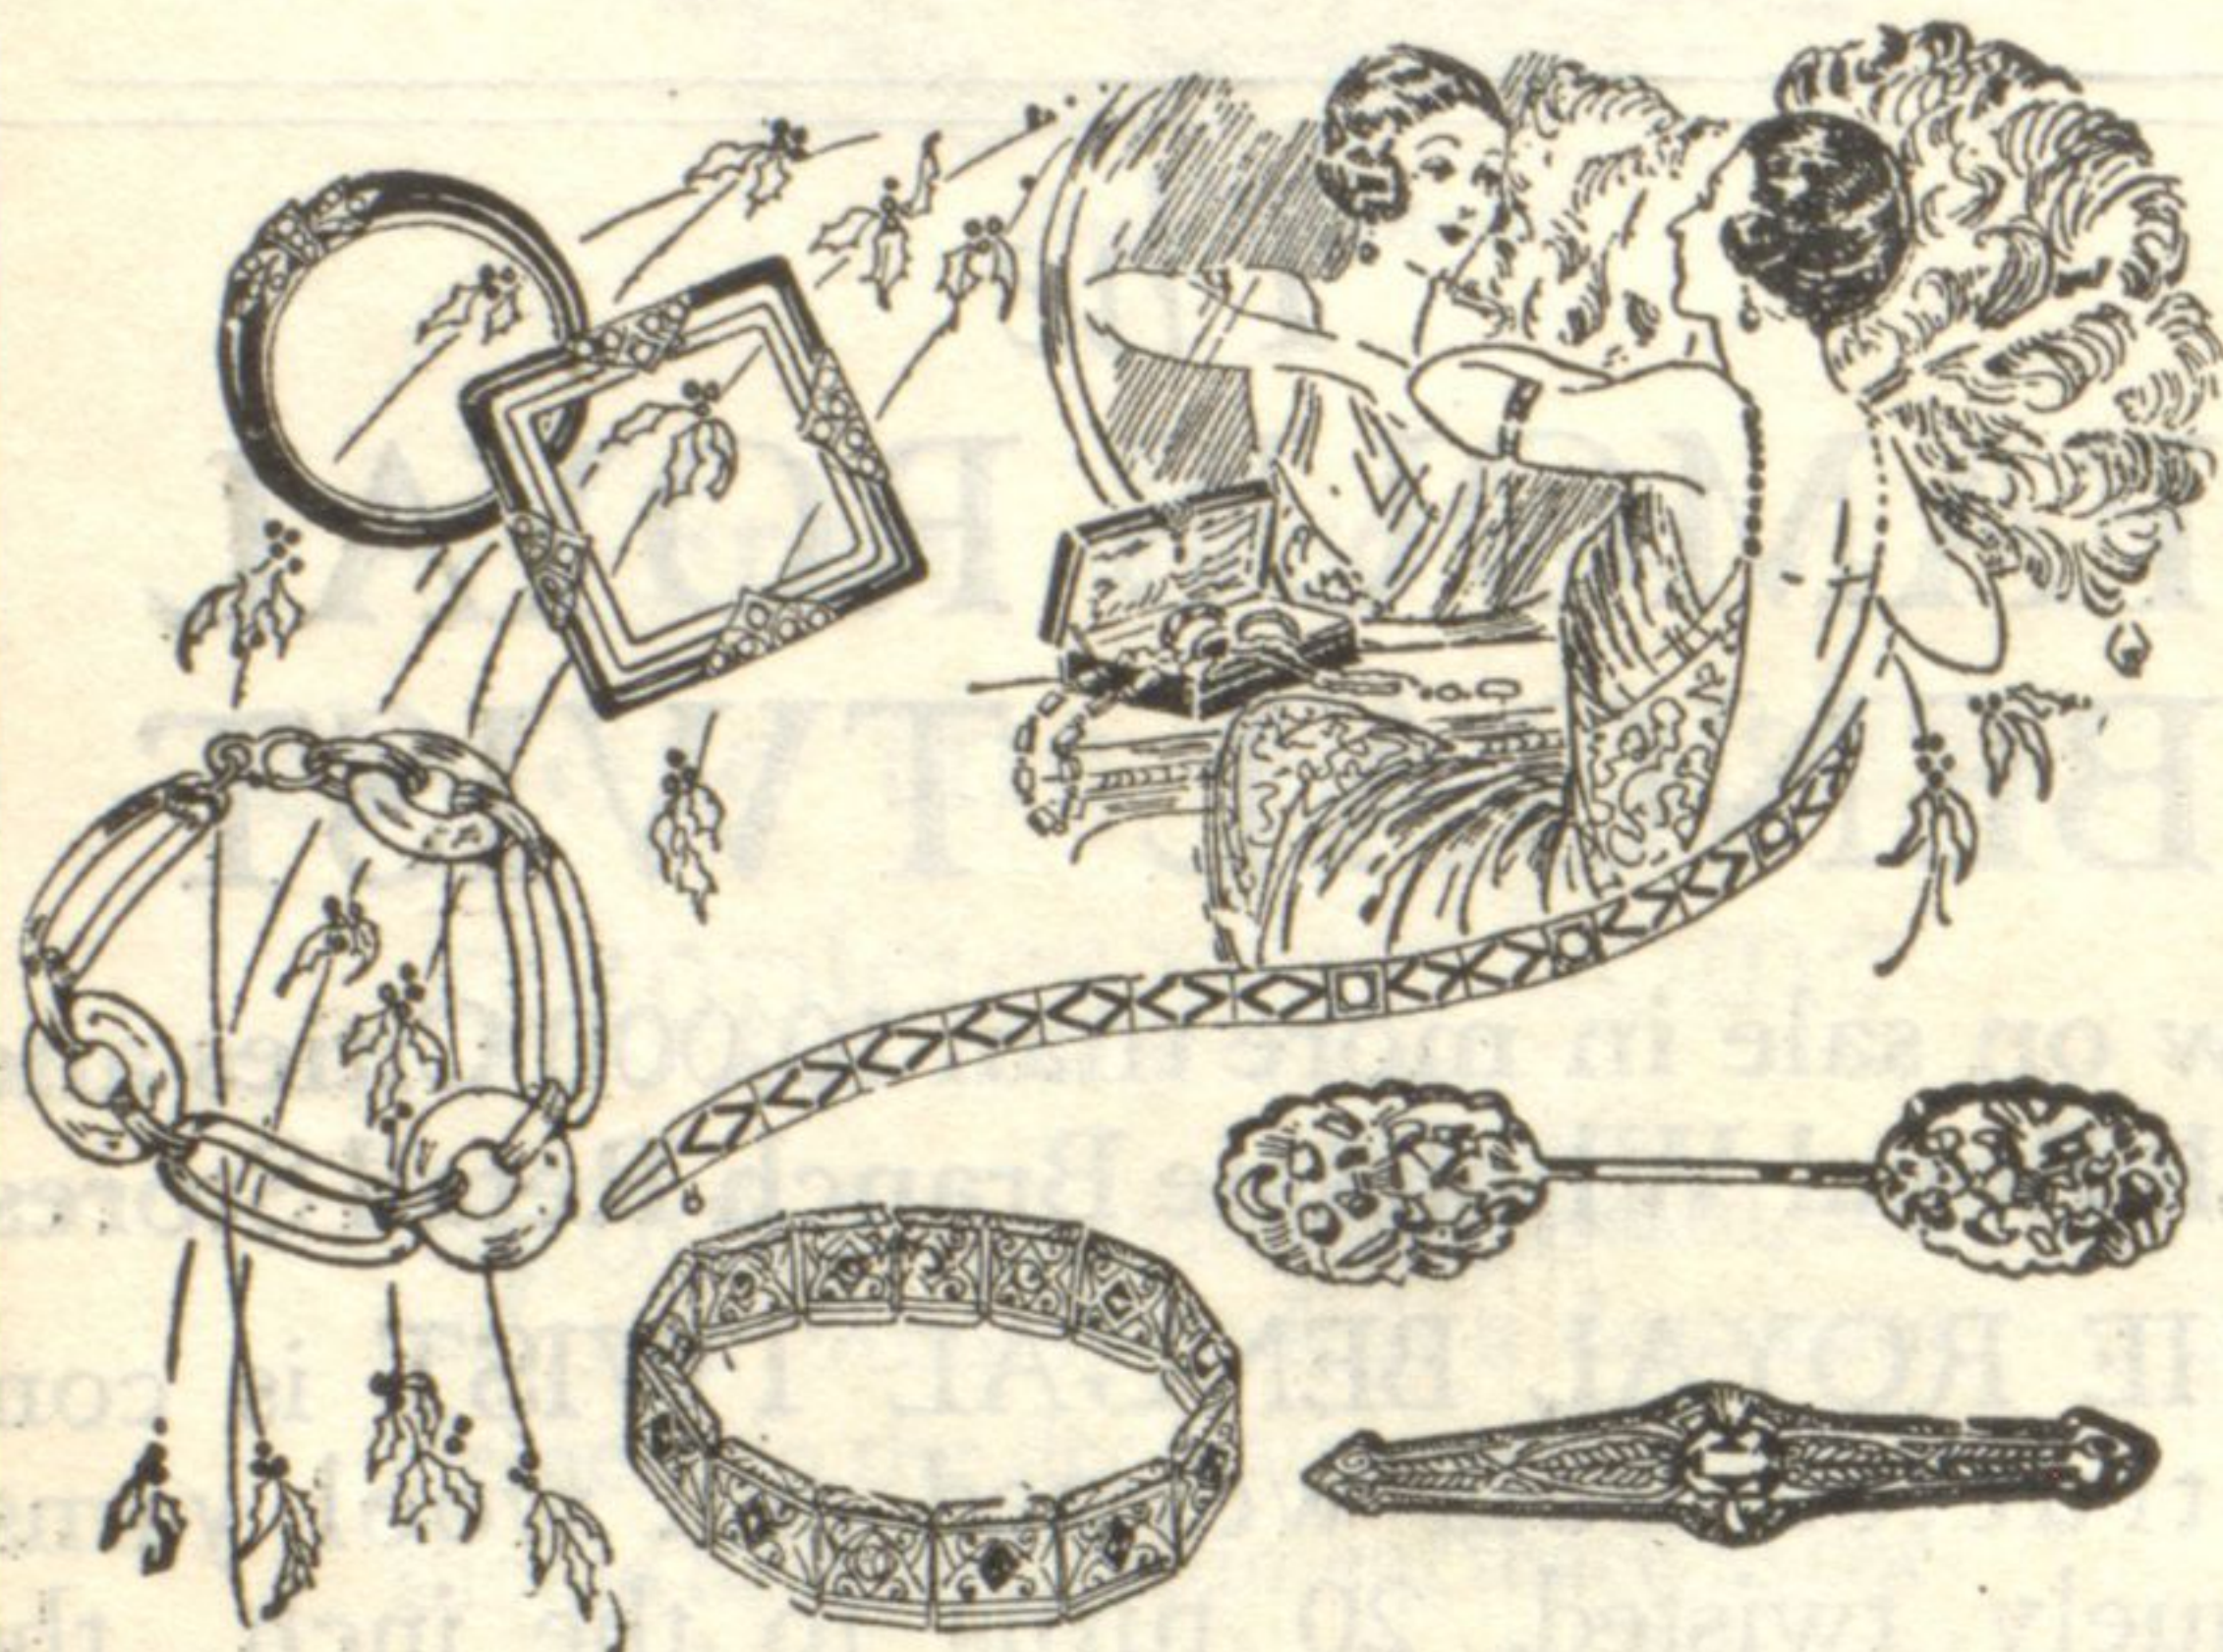

Trained in Geneva and Vienna, where he spends a third of his time each year in research, Mr. Pierce is one of the few American scientists whose presentation of his work on the lecture platform is as fascinating as the work itself, it is pointed out. Working with blackboard sketches he makes the hitherto mysterious unconscious mind a comprehensible thing which his audiences grasp with ease and absorbed interest. He shows its intimate relation to, and effect upon, the tissues and vital functions of the body, as well as how it affects the behavior in public and private human contacts.

There will be eight lectures in all, six in the afternoon and two in the evening. The afternoon lectures will deal with child psychology, while the evening lectures will deal more specifically with adult psychology.
