

### Christian Science Churches

"Everlasting Punishment" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, October 31, 1926.

The Golden Text was from Psalms 139:23, 24, "Search me, O God, and know my heart: try me, and know my thoughts: and see if there be any wicked way in me, and lead me in the way everlasting."

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Love not the world, neither the things that are in the world. If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth forever" (I John 2:15-17).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "Meekly our Master met the mockery of his unrecognized grandeur... He won eternal honors. He overcame the world, the flesh, and all error, thus proving their nothingness. He wrought a full salvation from sin, sickness, and death" (p. 39).

Mrs. B. W. Anderson of 238 Linden street, Winnetka, is entertaining as her guests, her father, mother and sister, Judge and Mrs. C. M. Pond, and Miss Florence Pond of Minneapolis, Minn., who are stopping in Winnetka on their way to California, where they will spend the winter.
