An automobile driven and controlled solely by radio will be seen negotiating the streets of Evanston Wednesday November 10, under direction of Tom Hay and Son, north shore dealers for the Chandler and Pierce-Arrow motor cars.

The machine will also be on working exhibition between the hours of 6 p. m. and 10 p. m.

Two north shore boys who have been made members of the freshman football team at Beloit college this fall are Jackson Webster of Winnetka and Walter Schroeder of Glencoe, New Trier High school graduates.
