Rosenbaum's Furniture Store has expanded rapidly to meet the needs of a rapidly growing community. Its various departments now occupy three floors of its own building in the busiest block on Fountain Square. In the heart of Evanston, this spacious, modern store is half a block from surface, elevated and steam lines, and is equally convenient to those who shop by automobile.

THE NATION'S greatest furniture marts, in Chicago and Grand Rapids, as well as many exclusive and remote creators of fine furniture, contribute their choicest wares to Rosenbaum's Winter and Christmas showing of house furnishings. Never in our history has there been a more beautiful or more varied and complete selection of furniture for every room and for every type of home. All is displayed in spacious rooms where the full value of size, finish and design can be accurately judged—Back of it all is a great purchasing organization which has reduced costs to the public till Rosenbaum's economy prices are a household word throughout the North Shore. We especially urge you to make your Christmas selections now, while you can shop to the greatest advantage.

Our Christmas Gift Club is attracting the attention of wise shoppers everywhere. Choose your Christmas purchases now before the rush begins. Pay a small deposit and arrange for small regular payments, avoiding Christmas bills and shopping worries. Then when Christmas comes your purchases will be delivered, fully paid for.
