Yesterlaid Egg Company Sets Up in Business Here

Gordon H. Rogers, 278 Linden street, and Laurence E. Cooke, 347 Forest avenue, both graduates of the 1926 class at New Trier High school, have established themselves in a lucrative business under the designation, Yesterlaid Egg company, with offices at 347 Forest avenue.

The concern is in the business of supplying 24-hour old eggs to households of the north shore.

Stanley B. Rogers and Francis K. Cooke, fathers of the youthful merchants, have just returned from an extensive trip through Wisconsin and Michigan where they were successful in making arrangements for a constant supply of fresh eggs for the Yesterlaid concern. Fresh eggs will be brought to Winnetka every day of the year and will be delivered to the homes of the north shore under the personal direction of the company partners. The Yesterlaid Egg company emphasizes the fact that its deliveries are not made by mail.
