GUILD TO OPEN WITH BROADWAY PRODUCTION

"Autumn Fire" Will Open Theatre Guild's Sixth Season Tonight at Skokie School

This evening in the Jane Kuppenheimer Memorial hall, Skokie school, the North Shore Theatre Guild will present "Autumn Fire," the first play of its sixth season. This most recent play from Ireland is now playing in New York and receiving the same praise from the critics and audiences that it received last winter in London and the year before in Dublin.

Seldom does a little theatre produce a play contemporaneously with the New York showing, but this is the second time that the Guild has offered to the north shore a play while Broadway was enjoying it. Two years ago, "The Youngest" was produced while it was still holding the boards in New York. And now again it is giving a play that the center of the theatrical world only is enjoying.

Too many people read the story of "Autumn Fire" in Burns Mantle's column last Sunday to repeat the story. But it is one that is not local to Ireland but universal in its appeal. It tells the story of the second marriage when the man is well past middle life and the girl still young.

The guild is honored to present such a piece of dramatic writing for the first time to a Chicago audience. It is still possible to obtain membership tickets from Mrs. Enos Barton, 978 Euclid avenue, chairman of the Winnetka committee. Single admissions may be obtained at the door.

Membership Drive of Women Voters Complete Success

The Winnetka League of Women Voters came out victoriously with their membership drive. Mrs. George F. Suker of 1028 Starr road, reports the following record: There were 304 new memberships turned in and 316 renewals, making a total of 684 membership for the drive.

The precinct chairman with the most new members to her credit was Mrs. Hymen Raclin of the 11th precinct, who brought in seventy new members. Mrs. Raclin also turned in the most renewals, making a total of 112 memberships to her credit.

The block captain obtaining the most memberships on or before October 25 was Mrs. James Stevenson, of the 11th precinct, turning in sixteen.

Honorable mention is given to precinct chairmen, Mrs. Joseph R. Graff of the 4th precinct, who has 108 memberships to her credit, Mrs. Francis A. Lackner who turned in 102 memberships, and to the following block captains, Mrs. John Danley, Mrs. L. P. Mercer, Mrs. R. T. Brackett, Mrs. C. B. Randall, and Mrs. Thomas Hearne.

Those members who have not paid their dues are requested to send them to Mrs. E. E. Brown.

Winnetka Hockey Squad Drops Game to Badger Group

The Winnetka Hockey team journeyed to Madison and held that team to a close score, until the last four minutes of the game, when the Yellow Jackets of Madison won by two goals to Winnetka's one.

The Yellow Jackets are an able and well-organized team, composed of coaches and recent graduates of various colleges and universities, who are living in Madison. Their games are held on the field just back of the Wisconsin university football field. The university's hockey teams use this field for practice and games.

In view of the approaching Mid-west tournament, and the resultant Mid-west team that will be chosen to travel to Philadelphia, this game was considered excellent practice for the Winnetka group.

Following the game, which took place at 10:30 o'clock Sunday morning, November 7, the Yellow Jackets entertained the Winnetka team with a dinner at the College club.

New Trier Pupils Hear of Winnetka Memorial

H. A. deWindt, chairman of the Finance committee, spoke on Wednesday in the auditorium of the New Trier High school to 1,500 boys and girls. A plaster model of the Winnetka Memorial was on the stage, and although only Winnetkans were asked to contribute to the Memorial, Frederick E. Clerk, superintendent of New Trier high school, suggested that, as several of the Gold Star men were New Trier boys, perhaps the school as a whole would like to help build the Memorial. The drive for funds starts at New Trier on Armistice day.

Many Groups Volunteer in Memorial Campaign

During the week the campaign for the Winnetka Memorial has been speeding up. On Monday the Winnetka Chamber of Commerce at its meeting in Community House appointed twelve of its members to make a store-to-store canvass of the three business districts—Winnetka, Hubbard Woods, and Indian Hill.

The Indian Hill association has charge of canvassing that residential section, and the Hubbard Woods association will take care of the north end of the village. Volunteers from the Men's club, The Triangle club, and the American Legion are all helping in the work of seeing that every man, woman, and child in Winnetka has a chance to add their subscription, large or small, to make the grand total of \$40,000 to build the Memorial, if it is found necessary to use that much.

DROP PARK PROJECT

Wilmette Park Board Not to Institute Proceeding to Condemn "No Man's Land" for Park Purposes

"No Man's Land," that 20-acre strip of land lying between Kenilworth and Wilmette and fronting on Lake Michigan, can be used for club and commercial purposes insofar as the Wilmette Park board is concerned. That body, in session Monday evening of this week, voted not to institute proceedings looking toward condemnation of the territory in question for park purposes, according to President Louis K. Gillson.

Action by the Park board came as a climax to a series of mass meetings held in Wilmette and Kenilworth several weeks ago at which groups of citizens interested in having "No Man's Land" converted into a park, thus to preclude the possibility of invasion of the area by commercial projects, appealed to the board to take prompt and drastic action.

The matter was brought before the Park board since it was the only taxing body on the north shore which has jurisdiction in the territory in question.

It is believed the Park board's decision not to start proceedings was based upon investigation which indicated that the cost of condemnation would place an unreasonable burden of taxation upon Wilmette property owners.

Meanwhile projects in "No Man's Land," including the Vista del Lago Beach club, a motion picture theater and a block of stores are well under way with actual construction in progress.

Rev. A. E. Rohrbach to Preach at Union Service

Union Thanksgiving services will be held at the Winnetka Congregational church, Thursday morning, November 25, at 10:30 o'clock. The churches joining in this service are Christ church, North Shore Congregation Israel, the Congregational church and the First Scandinavian Evangelical church, whose pastor, Rev. A. E. Rohrbach, will preach the sermon.

WINNETKA WINS FLAG IN VOTE COMPETITION

Izaak Walton League Finds Winnetka Has Fraction of Point Lead Over Kenilworth

No contest could have resulted in a closer finish than the Izaak Walton league voters' flag contest, the results of which were announced last Friday morning in the assembly at the New Trier High school.

It will be recalled that the Winnetka chapter of the Izaak Walton league offered a handsome silk flag to the village in New Trier township which brought out the largest percentage of its qualified voters in the election last spring. At that time Kenilworth won the contest with plenty to spare. In the election of November 2, the flag was again put up as a prize, the understanding being that the first village to win it three times would become its permanent owner. In this election the percentages according to the leagues were as follows:

Winnetka	62.3%
Kenilworth	62.1%
Wilmette	52.3%
Glencoe	45.9%

Laud Women Voter

The officers of the Izaak Walton league, feeling that the result was due primarily to the efforts of the Winnetka league of Women Voters, requested that they accept the flag for Winnetka and take the occasion to set forth the ideals and ambitions of their organization.

A delegation from the Kenilworth League of Women Voters accordingly brought the flag to New Trier High school assembly at 8:30 Friday morning and, after a brief talk by an official of the Izaak Walton league, the flag was turned over to the Winnetka League of Women Voters, represented by Mrs. VanderVries, its president, and a committee of its membership.

Flag in Village Hall

Mrs. VanderVries spoke of the objects of the league and the great satisfaction felt by its members in being able to produce a decided increase in the percentage of votes cast. She paid tribute to the league of Kenilworth which, though but recently organized, had done sterling work in bringing out the vote of that village. She also called attention to the fact that last year none of the New Trier villages had called out 50 per cent of its voters and took the percentage of this election's vote as an indication of what could be done by organized effort.

The flag will repose in the village hall at Winnetka until next election when it will again be the object of a similar contest.

Young Men's Class Begins New Discussion Series

The Young Men's class of the Winnetka Congregational church are to begin a new series of discussions at the regular class hour, Sunday mornings at 10 o'clock and which will be led by the Rev. Thomas A. Goodwin. The first topic for discussion will be, "What new ideas about God did Jesus give the world?"
