BUYS WEST PROPERTY

Gustaf Lindahle, Winnetka contractor, has purchased a lot 100x187 feet, located at the southeast corner of Alles road and Birch street and will construct a ten room brick residence with two-car garage attached on the property. McGuire and Orr were the brokers in the transaction.

REALTY BOARD DINNER

The North Shore Real Estate board will hold its November dinner at the Lake Shore Terrace, Wilmette, Monday evening, November 15, at 6:30 o'clock.

IMPRESSIVE CEREMONY TO DEDICATE STADIUM

Ritual to Precede Saturday's Game in Million Dollar Football Arena

Dyche stadium, Northwestern university's new million-dollar football plant, will be dedicated Saturday with impressive ceremonies which will be held preceding the Chicago-N. U. game. The program will start at 1:30 sharp and will be broadcast to the 50,000 spectators through the loud speaker which has been installed at the field.

The ritual service, which is to be read at the ceremony, was prepared by the Rev. George Craig Stewart, pastor of the St. Luke's church. This service will consist of a short address by George A. Mason, chairman of the stadium corporation, who will turn the stadium over to the Board of Trustees.

Robert W. Campbell, president of the board of trustees, will accept the stadium and in turn officially present it to President Walter Dill Scott. President Scott will then commit the stadium to K. L. Wilson, athletic director, and Prof. O. F. Long, chairman of the faculty committee on athletics.

This ceremony will be brought to a close by the band playing the Star Spangled Banner and the raising of the American flag. After the flag has been raised the band will play Rise Northwestern, as a Northwestern banner is raised. Mr. Dyche, in whose honor the stadium has been named, will raise the flags.

Day School Reserves Win as Skokie Beats Heavies

In last week's football games the North Shore Country Day school Reserves defeated the Harris school team 25 to 0, while the North Shore Country Day school Heavies were defeated by the Skokie Heavies, 20 to 0. The North Shore game with a team from the Evanston High school was also lost by the former, 6 to 0, due it is said to the visitors' superior ability in passing.

Mrs. Mark W. Cresap, 239 Essex road, left Kenilworth last Friday for New York. She is expected home about November 20.

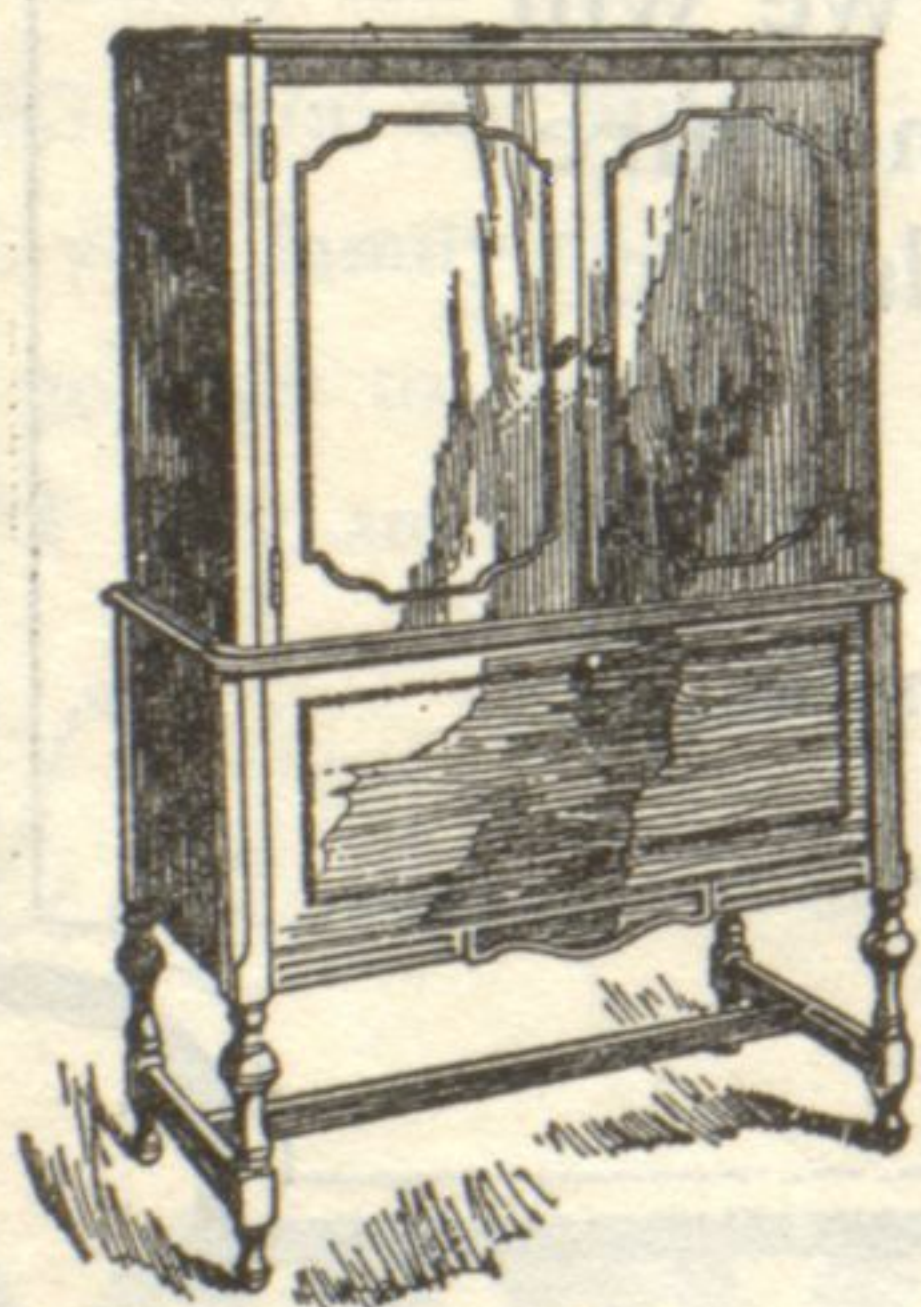

Exquisite

REALISTIC reproduction—free from interference and distortion, unmarred by whistles, clicks and hissing—that's what you and every other purchaser of a radio are after.

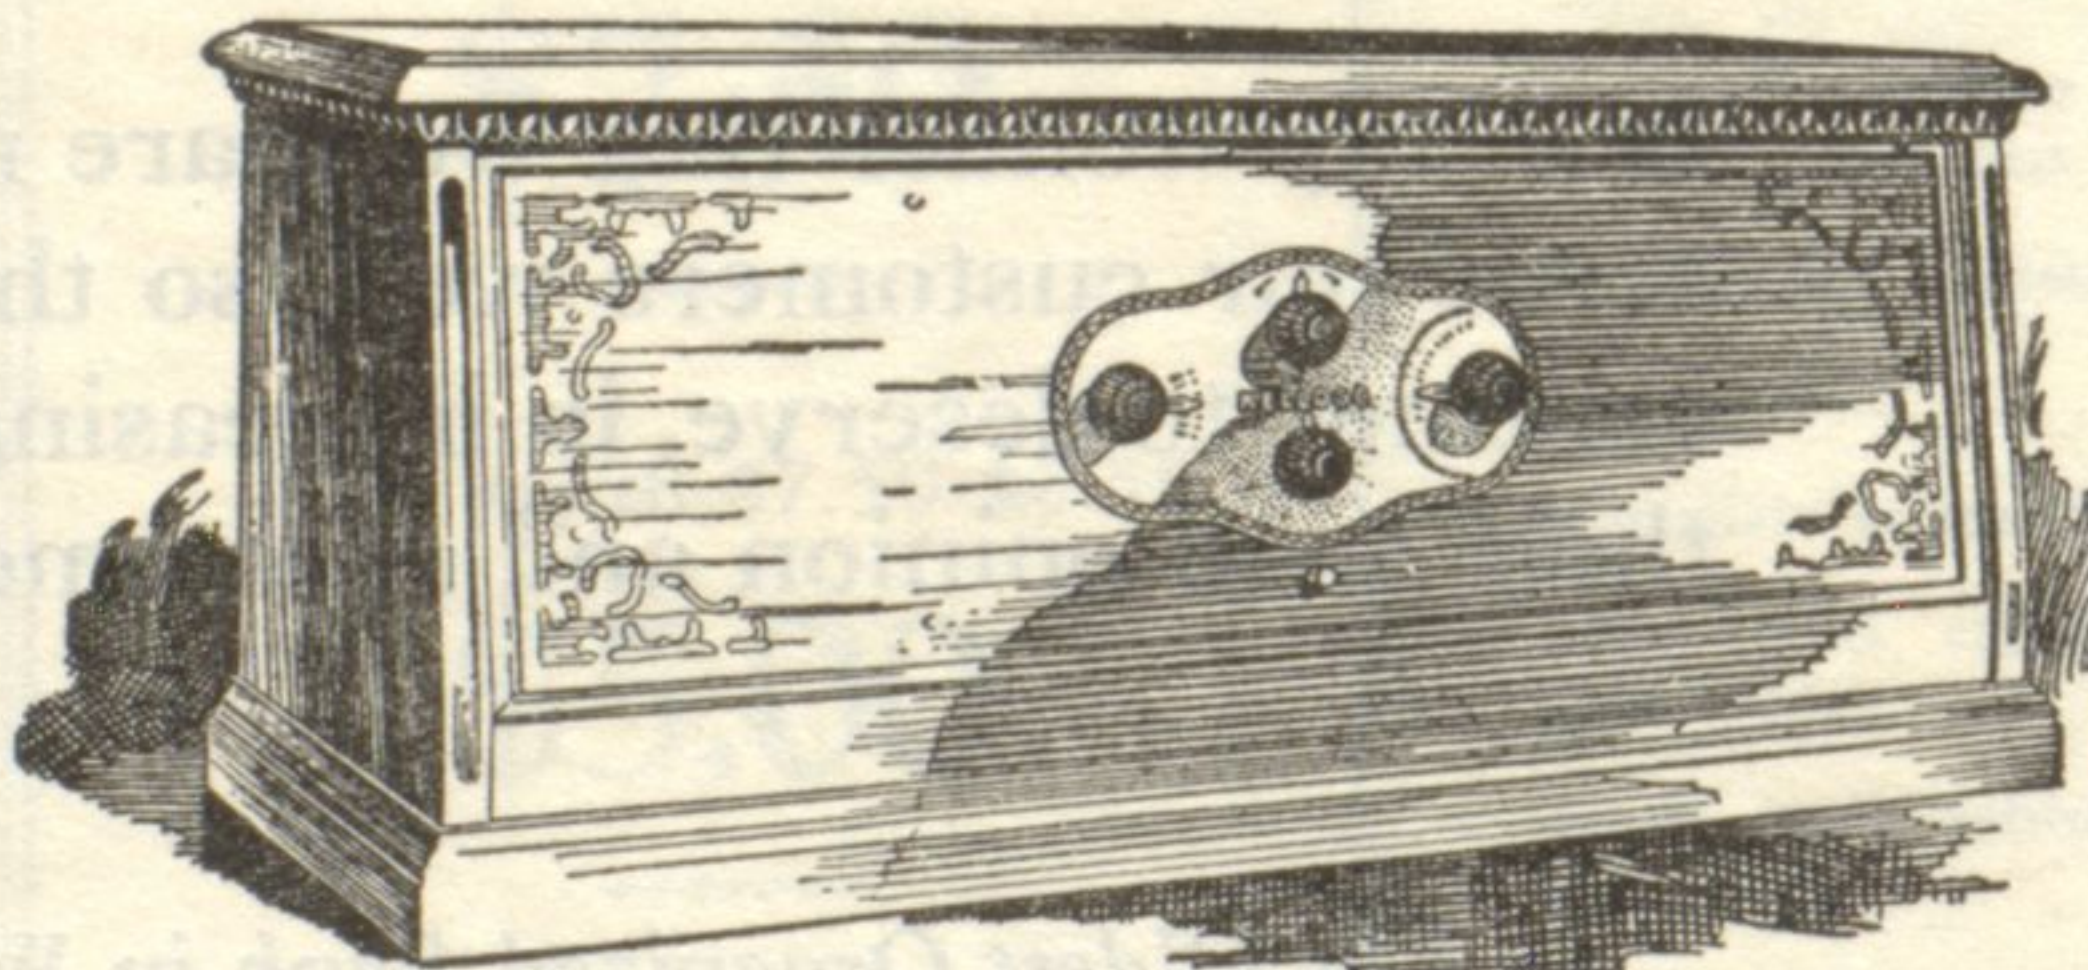

KELLOGG
Flawless Reproduction
Radio

You get it in a Kellogg because the Kellogg Company has the engineering experience—the knowledge of voice transmission—to build it into Kellogg sets!

The Inductive System of tuning used in these receivers is exclusive with Kellogg. It gives even sensitivity at all wave lengths and permits control of four circuits with one knob. Thorough shielding around and between the coils prevents distortion and undesirable pick-up of nearby stations.

Model 508, the 6-tube Kellogg RFL in a beautiful walnut console equipped with the new Kellogg long air column speaker.

Kellogg receivers are licensed under application for letters patent of Radio Frequency Laboratories, Inc. (R. F. L.)

The flawless performance of this superior receiver will amaze you. Consistently long range that you can boast of—and prove—to your friends. Selectivity that not only separates nearby stations cleanly and clearly, but enables you to go on through and get programs from those far away. Powerful reproduction that is faithful and realistic while it carries to every room in your home.

Drop in anytime, day or evening, for a demonstration of this greatest of six-tube receivers. The table model, illustrated above, in a walnut cabinet with full piano finish, is \$215. The console with ample space for all batteries or power supply units, is \$345.
