

Politics Rotten? Forum to Discuss Question Sunday

The Chicago Forum, Sunday afternoon, November 14, will present a discussion of the question "Is Politics an Incurable Disease?" with four leading Chicago citizens contributing their answers.

Fred A. Moore, director of the Forum, explains that the question arises from such facts as these—the wide-spread popular distrust of government and of public officials, the diminishing percentage of voters who go to the polls, the rampant feeling that the professional politician and organized machines hold a whip hand in shaping election results, all summarized in the phrase "politics is rotten."

The speakers will be Anton J. Cermak, president of the Cook County board of commissioners; Henry P. Chandler, former president of the City club and chairman of the Committee of 200 that undertook to secure high grade candidates last spring; Victor A. Olander, secretary of the Illinois Federation of Labor, and Miss Harriet E. Vittum, Northwestern university settlement. Each speaker will give his or her own answer to the question in view of the premises on which the question is based. Finally the speakers will be subjected to questions from the audience.

The Forum meets in the Erlanger theater, Sunday afternoon, at 3:15 o'clock.

Mrs. William C. Boyden of 725 Pine street left this week to visit her daughter, Mrs. Francis Magoun of Cambridge, Mass. While in the East Mrs. Boyden will attend the Harvard-Yale football game. At Thanksgiving time she will be with her daughter, Elizabeth, at Smith college, and plans to return to Winnetka in about two weeks.

Miss Emma Wilson of 623 Spruce street, accompanied by Mrs. W. H. Hand of Adrian, Mich., left Wednesday, November 10, for La Jolla, Cal., where they expect to spend the winter.

Christian Science Churches

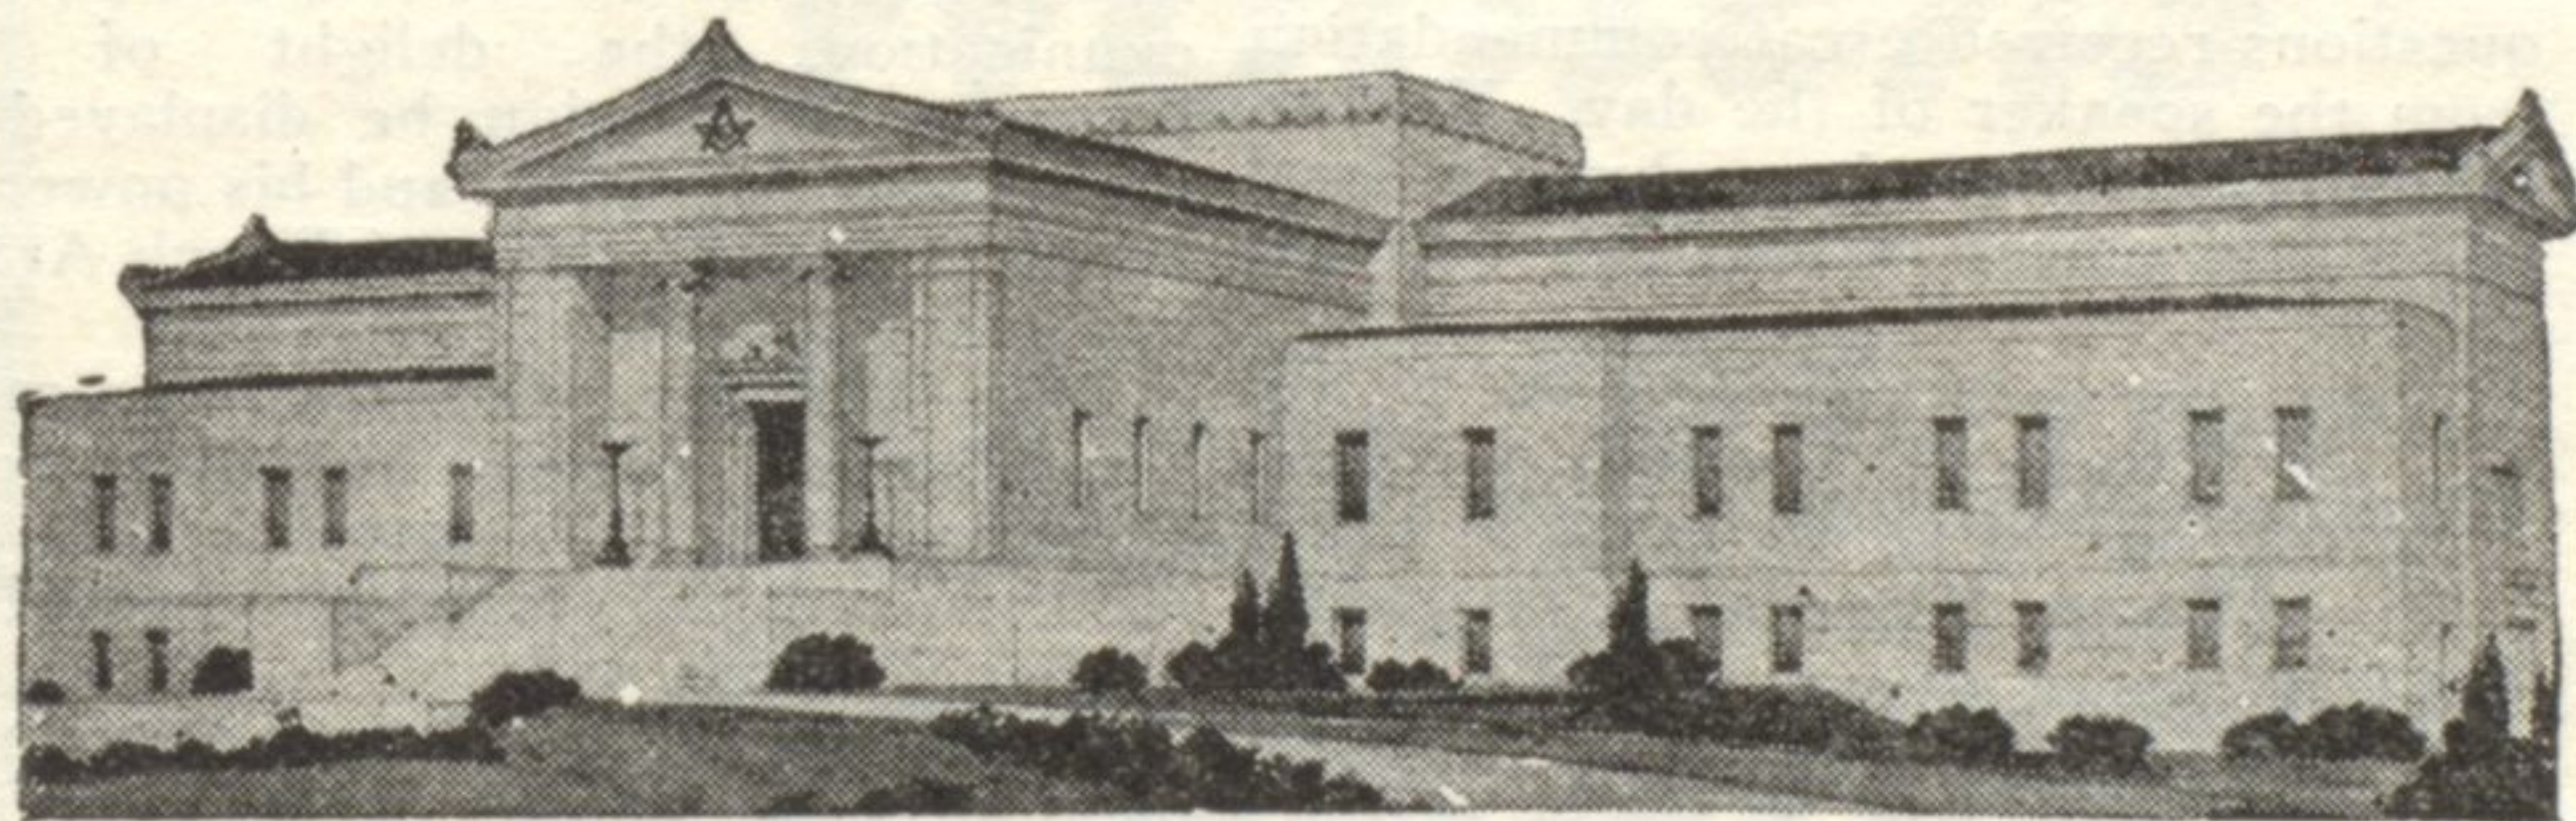

"Adam and Fallen Man" was the subject of the Lesson-Sermon in all Churches of Christ, Scientist, Sunday, November 7.

The Golden Text was from Ezekiel 18:23, "Have I any pleasure at all that the wicked should die? saith the Lord God: and not that he should return from his ways, and live?"

Among the citations which comprised the Lesson-Sermon was the following from the Bible: "Be ye therefore followers of God, as dear children; And have no fellowship with the unfruitful works of darkness, but rather reprove them. But all things that are reprov'd are made manifest by the light: for whatsoever doth make manifest is light. Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light" (Ephesians 5:1, 11, 13, 14).

The Lesson-Sermon also included the following passages from the Christian Science textbook, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "When we are awake, we dream of the pains and pleasures of matter. Who will say, even though he does not understand Christian Science, that this dream—rather than the dreamer—may not be mortal man? . . . For right reasoning there should be but one fact before the thought, namely, spiritual existence. In reality there is no other existence, since Life cannot be united to its unlikeness, mortality" (p. 491).

Mrs. Eloise W. Wortley of 565 Lincoln avenue, Winnetka, spent the past week-end at Williams college, where she was entertained by her son, Cabray. While at the college, Mrs. Wortley witnessed the soccer game between Williams and Wesleyan college, Cabray Wortley being captain of the Williams team. She also attended a house party given by Mr. Wortley's fraternity, Phi Gamma Delta.

Each a Combination of Quiet Dignity and Restful Charm.

ACACIA MAUSOLEUM
