Japanese Speaker of Note Will Talk at Woman's Society

Raymond Oshimo will address the Woman's society of the Congregational church on Wednesday, November 17, immediately following the luncheon, on "The Japanese in Hawaii and America."

Born of Japanese parents in Hawaii, Mr. Oshimo, after years of study, is unusually well-informed on this subject. He is now doing advanced work in Chicago Theological seminary. He has been offered a professorship in Doshisha university, Japan, but is as yet undecided as to whether his greatest field of usefulness lies there or in Hawaii.

Mr. Oshimo addressed an audience of several hundreds in Michigan recently, and reports from that talk were very complimentary to the speaker, the audience being very much impressed with Mr. Oshimo.

The change in the speaker for the day is due to the illness of Dr. DeForest, president of Kobe college, Japan, who has had to cancel all speaking engagements before returning to the Orient next month.

The program for next Wednesday will begin with sewing at 10 o'clock. Miss Katso Yonezawa will appear in Japanese costume to entertain with songs during the morning.

Mrs. George W. Gordon will speak on "World Friendship News," and the devotionals, led by Mrs. Heber H. Smith will be at 12 o'clock, just preceding the luncheon at 12:15 o'clock.

Everyone is urged to stay for sewing, which will begin at 2 o'clock and continue throughout the afternoon.

Women Voters Meet

The Winnetka League of Women Voters' second meeting of the year was held in the Rudolph Matz hall, Community House, Monday, October 8, at 12:30 o'clock.

Mrs. John N. VanderVries, president of the Winnetka league, presided. After the reading of the minutes and the treasurer's report, Mrs. Walter Benson made the following important announcements: The executive board took action previous to the meeting in appointing a legislative chairman. Also, a study class for the league will commence about the middle of November and meet four successive weeks to study, "State and Federal Legislative Measures." Mrs. Leslie Gooder, second vice-president and program chairman, then introduced Mrs. Ida Clyde Clark of international reputation. Mrs. Clark's talk, as she called it, concerned her book, "Uncle Sam Needs a Wife."

Woman's work in the home has been minimized by all kinds of electrical devices such as dishwashing machines, vacuum cleaners, washing machines, commercial canning, bakeries, laundries, and ready-made clothing. It is her business to know about scientific, economical and sanitary productions and to have some share in the legislature concerning them.

Mrs. Clark spoke of men as being the official exploiters of the race and the women as the submerged sex. Theaters, publishing houses, motion pictures, millinery, styles, beauty parlors, and finance, all are controlled by men! Mrs. Clark advocates more joint meetings of men and women, more co-operation in the study of conditions affecting both. The need is for "city mothers" as well as "city fathers!"

A program for a study class on local questions received great commendation from the speaker of the day. Women should familiarize themselves in local issues and offices rather than national ones.

"Enoch Arden" Cleverly Read at Catholic League

The members reported that Father Pernin's talk was one of the most delightful they ever had heard, and that his diction, and perfect enunciation, the delight of his imagery, the passion he displayed in the stirring narrative, and his power of acting, made the story of Enoch Arden live before them.
