

The Measure of Service

AN ORGANIZATION can be measured only by the character of its service. Funeral rites, when properly conducted, call for an organization which knows how to give thoughtful care to the most exacting details.

Our Funeral Chapel is home-like, having private rooms for mourners. Its environment is entirely different from that of other chapels.

Our Limousine Hearse is the newest in the appointment of funeral equipment. Its simplicity and quiet beauty have won general public approval.

Our Limousine Invalid Coach is characterized by the comfort and refinement that typify the designing of the finest private car. Uniformed attendants.

"I don't hang out here any more"said the clothesline

"Yes," said the clothesline sadly, "this back yard is the place where I used to hang out every week. But now the woman who owns me is using the laundry, and I'll never get out any more."

Lines, wringers, tubs . . . the whole washday family has been banished from hundreds of homes in this community, homes where our representatives now call every week for the family bundle. You,

too, should find out which of our many services will suit you best. We're certain that after you've enjoyed one week without a washday, your clothesline will never see your back yard again.
