Day School Pupils Give War Drama Armistice Day

The observance of Armistice day at North Shore Country Day school was in charge of the Junior class. The ceremony took the form of a dramatization of the conflict of war with civilization. The personifications of America, England, Germany, Italy, France and Belgium, offered their gifts to civilizations, and showed how these gifts may be utterly wiped out by war.

The boys of the class then told what movements are now on foot in the world to educate people away from war.

At the close of the exercises there was silent prayer, while taps were blown.

Country Day Girls' Hockey Team Beats Faulkner 13-0

On Saturday of last week the Girls' hockey team of the North Shore Country Day school defeated the Faulkner school 13 to 0. The game was umpired by the captain of the All Chicago hockey team, who was so favorably impressed with the quality of the girls' playing that she asked for a game later between the North Shore girls and the All-Chicago team.

Olive Easton and Emily Nell Simpson, accompanied by their Camp Fire group leader, Mrs. Doris Eisenbrand, attended the ceremonial at the Palmer house Tuesday morning at which 1,500 girls assembled to make Princess Ileana a Camp Fire Girl of America.

A tulip tree growing in Wabash Valley, Illinois, measures 190 feet in height and has a girth of twenty-three feet at a point three feet above the swell of the roots.

Pupils to Enjoy Brief Vacations Over Thanksgiving

North Shore schools will indulge in two brief vacations within the next two weeks. On Friday of this week all high schools will be closed so that the teachers may attend a meeting of the Illinois State High school association, which will be held at the University of Illinois, at Urbana. Two members of the New Trier High school faculty will be speakers on the program which will include discussions of many phases of high school work. Prof. W. A. Snyder will speak on the "Experiment of teaching Bookkeeping in a single period" while H. H. Herron will talk on some phase of mathematics. This meeting is an annual event and offers an excellent opportunity for the teachers to hear from other teachers about methods used in teaching their various subjects.

The second vacation period will occur when all of the schools will be closed during the regular Thanksgiving vacation, which comes on Thursday and Friday of next week.

WANT NEW STREET NAME

A petition has been received by the Winnetka Village council asking that the name of Linden street from Elm to Oak streets, be changed to Center street. The petition was signed by Carlton Prouty and Rapp Brothers, the only owners of private property in the block. It was referred Tuesday evening to the streets, drainage and forestry committee.

At the first meeting of the National Electric Light Association at Chicago in 1885, Elgin, Dixon and Rockford were cited as having the most brilliantly lighted streets in the country.

Make Your Thanksgiving Dinner
More Than a Meal!

The Pilgrims chose the pick of the harvest for their Thanksgiving feast. Their larder was limited but quality and purity were the prime essentials. Mediocrity found no place in the Pilgrim home. Today, you too, can serve the pick of the harvest by specifying Richelieu in your daily orders.

We recommend Richelieu because it is better food, of one quality only, the highest. Better food tastes better, goes farther and in the long run is no more costly.

Compare such quality products with others; you'll see then why we recommend Richelieu.
