

## "Beautiful!"

**N**OTHING you could give her will please her quite as much as a good radio receiver—a Kellogg! She'll know at first glance that its cabinet, of matched and piano finished walnut, adds to the charm of the living room.

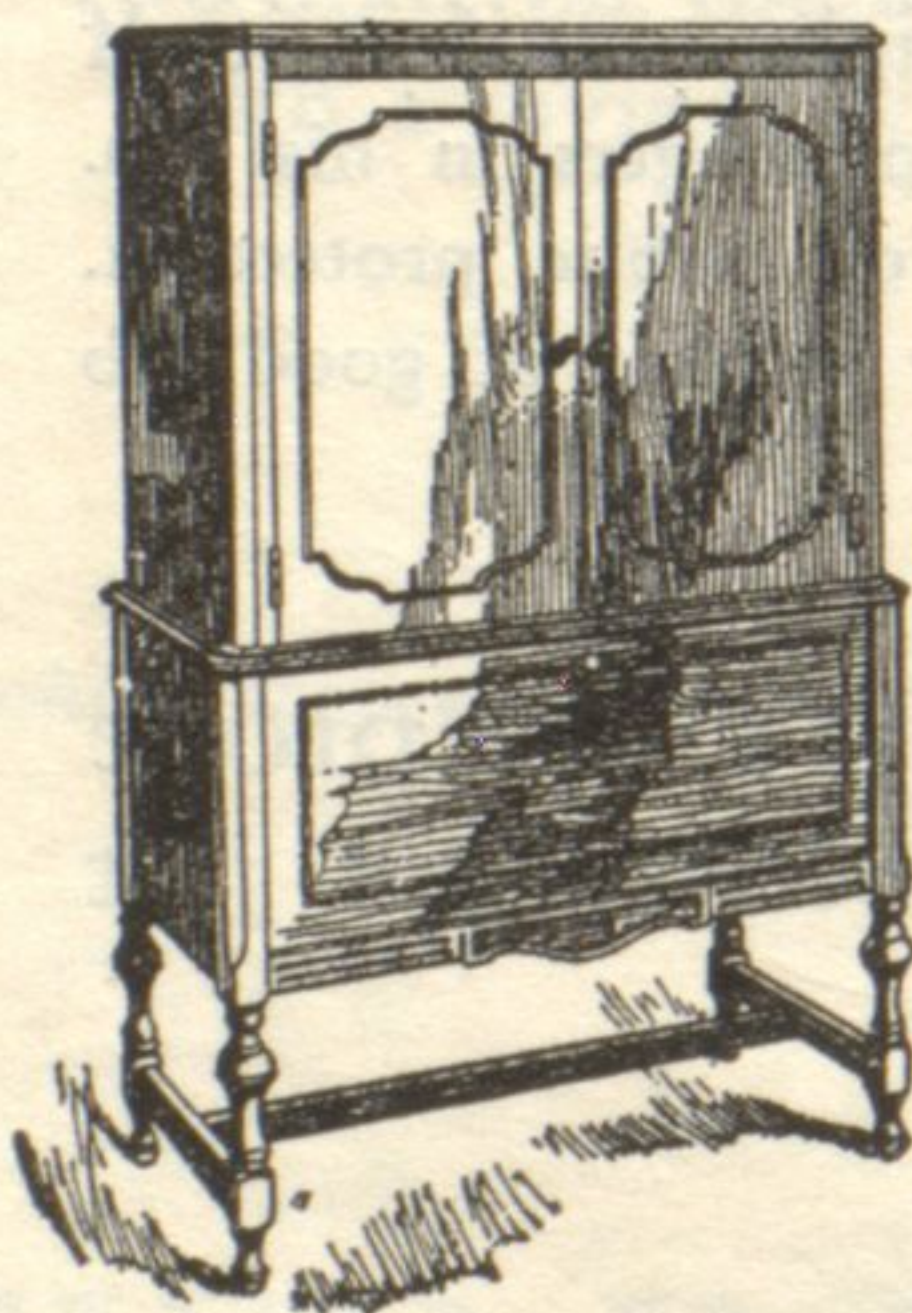

You tune in a station and she senses immediately that such reproduction will liven your home—will make it a place in which you are both happy—and glad to spend your evenings. Kellogg has put an enjoyable realism into radio programs that makes of them an ever-changing, yet always delightful, source of entertainment.

Kellogg receivers are licensed under applications for letters patent of Radio Frequency Laboratories, Inc. (R. F. L.)

Back of a Kellogg receiver are 29 years of engineering experience—29 years of precision manufacturing—both so sound that Kellogg is now the world's largest independent telephone maker.

Into Models 507 and 508, Kellogg builds three stages of radio frequency amplification for selectivity and consistently long range. The tuning of four circuits is arranged for control from one knob. The Inductive Tuning system used is an exclusive Kellogg development that gives equal sensitivity and volume on all wave lengths.

Model 508 is massive, dignified, rich looking. It stands 54 inches high, is 34 inches wide and, when closed, is 18 inches deep.

## KELLOGG Flawless Reproduction Radio

These receivers include every feature for which you have searched in a radio set and you should see and hear them before you buy—at any price. We will be glad to demonstrate them day or evening.

### Winnetka Girl Visits Extensively in East

Miss Eunice Weissenberg, daughter of Mr. and Mrs. Edward C. Weissenberg of 965 Elm street, has been spending the past two weeks in Bronxville, N. Y., where she was entertained by her cousins, Mr. and Mrs. A. J. Englehardt. While in the East Miss Weissenberg attended the Cornell-Columbus and the Army-Notre Dame football games.

Miss Weissenberg left New York Monday, for Great Neck, Ipswich, to visit a classmate from Barat college. Before returning she will visit her aunt, Mrs. W. F. Kearns of Boston, and cousins in Portland, Maine.

Mr. and Mrs. Gilbert H. Scribner of 812 Ash street entertained at a dance Wednesday evening, November 10, at the Winnetka Woman's club.

### Benefit Ball for Shut-Ins Keeps Committee Busy

Mrs. J. Waller Marshall, president of the Vocational Society for Shut-Ins, Mrs. Clair E. More, general chairman for the benefit ball to be given Friday, December 10, for the society, and a group of active women are busy preparing for this event which will take place in the Aragon ballroom at Lawrence and Winthrop avenues.

Through the efforts of Mrs. More, the three owners of the Aragon have donated the use of the ballroom, and the orchestras, free of charge. Another bit of good news, when a charity ball is given, and all the proceeds are treasured, is that the souvenir programs, invitations and all printed material has been donated by one of the large printing firms. Maude Ellis of Chicago, has designated a most attractive poster in her inimitable style, and she has done this without charge, so all the expenses for the ball are wiped out at one fell swoop, and the tickets can be sold and profits turned over at almost no subtraction of large expenses.

The ball will begin at 9 o'clock this year, earlier than usual. Delightful entertainment is being furnished under the direction of Miss Olga Menn, who announces that opera and stage stars will entertain at 11:30, the names to be announced later.

Supper, for which there will be a small charge, will be served, for those who wish it.

Mrs. Marshall, who is in charge of the tickets, has announced that boxes are to be sold, more than 100 of them. They will be located directly around the ballroom floor, and in the balcony. All boxes and tickets are being sold at reasonable prices. Anyone desiring information regarding tickets may phone Mrs. Marshall at Winnetka 1128, or Mrs. Laird Bell at Winnetka 183. Evanston people may get in touch with Mrs. Charles Dennis, at University 9115.

Besides Mrs. More, the general chairman, and Miss Menn the entertainment chairman, Miss Elaine Blackman of the South Shore Country club is taking charge of the publicity.

Arnold R. Baar of 642 Cherry street will return this week from Philadelphia, where he has been attending the annual meeting of the National Tax association.
