

WAUBUN IN ELECTION

New Village Selects Ticket for Various Offices: John P. Happ, Candidate for President

WauBun, the recently incorporated village at the western threshold of Winnetka, will hold its first election in about two weeks for the selection of a village president, board of trustees, clerk and police magistrate. The exact date of the election has not been decided.

A ticket was selected at a caucus held Wednesday of last week. John P. Happ, who heads the ticket, for president, is a son of the late John P. Happ, whose old home place is only a quarter of a mile south of the intersection of Willow and Happ roads, the latter of which bears the family name. The Happs were among the early settlers in this vicinity.

Al Kutz is the nominee for the first clerk of the new village and Bernard Schildgen will be the first police magistrate, the nomination of the entire ticket being, in this case, equivalent to election, as there is but one ticket in the field.

The six trustees nominated at last week's caucus are, George Selzer, William Boetsch, Pete Selzer, John Seul, Leo Retzinger and Alex Levernier.

The concrete work on Center Street is finished and it will soon be opened to the public. We have to take our hats off to H. G. Golitz Co. Their middle name is speed—When we are on the job delivering.

An editor received a chicken thru the mail. He took it home and the family feasted on it. Next day he got this letter: "I sent you a chicken yesterday to settle a dispute. Can you tell me what it died of?"

"The groom doesn't amount to much at the wedding but he's there in the divorce proceedings," remarks Chas. Kristoff.

We know a man in this town who talks so much about his business that he doesn't give us a chance to talk about ours.

Are you going to have turkey this Thanksgiving? Neither are we.

What are we thankful for? Oh, lots of things. Good town, good friends, three squares, shelter, clothing (such as it is), and the fact that our coal continues to please the people of this community.
