Here Are The Improvements

Review this impressive list of improvements—a notable twelve-months' record of progressive engineering:

- A new five-bearing crankshaft (replacing the three-bearing type).
- A new two-unit starting and lighting system (replacing the single unit type).
- Air cleaner of improved design.
- Spark and throttle levers placed above the wheel for greater convenience.
- Rumble seat for Sport Roadster.
- Stylish new body lines.
- Rich and attractive new colors.
- Improved all-steel body construction.
- Increased driving vision.
- Indirect dial lighting for De Luxe and Sport types.
- Far greater riding comfort.
- Impressive new smoothness and silence of engine operation.

Greater beauty, greater convenience and remarkable new silence and smoothness of engine operation have followed these vital betterments.

Yet Dodge Brothers low prices remain unchanged—values certainly that no motorist can now afford to overlook!

Packard Company Gives Bonuses to Employees

Following the close of the most prosperous year in its history, the Packard Motor Car Co. of Chicago has just distributed a length of service bonus among Packard-Chicago employees. "Distribution of cash rewards for service with the branch has been a Packard custom in prosperous periods for a number of years," says H. W. Peters, manager of the Chicago branch.

Employees who have been with the company five years receive \$50.00. For each additional year \$10.00 is added up to and including ten years of service. Ten year men receive \$100.00. One hundred and thirteen out of 517 employees of Packard-Chicago participated in this service bonus; in other words, about 22 percent of the employees have been with the company over 5 years—an unusual record in the number of long-time employees.

The Packard factory also distributes a service bonus. This year's bonus was given the Packard veterans in the form of a check with a personal letter from President Macauley.

Mr. and Mrs. Allen L. Withers of 788 Lincoln avenue and Miss Leila Withers returned Monday, November 15, from New York and Dobbs Ferry.

Reserve Officers Hold Annual Mess; Defer Army Ball

The annual mess of the North Shore Cook County chapter of the Reserve Officers' association was held last night at the North Shore hotel at 6:45 o'clock. The program for the evening as planned included the election of officers for the coming year, and short talks on national defense matters by officers including Col. Nathaniel F. McClure of Chicago, and Captain Gerald Chapman, head of the Northwestern university military department.

Members of the association from Wilmette, Winnetka, Glencoe and Highland Park were among the 150 guests present. Col. John H. Wigmore, dean of Northwestern university law school, was the presiding officer for the occasion. A musical program and other entertainment was scheduled for the evening. Other officers and former officers, not members of the association, were also present, as this chapter welcomes at this affair those not included in its roll call.

Most of the guests attended the banquet in uniform. The formal army ball which the chapter had planned has been indefinitely postponed, and this occasion was to take its place.

The list of officers who have served during the past year is: president, Maj. G. T. von Colditz, medical officer in Evanston; first vice-president, Col. John H. Wigmore; second vice-president, Lieut. Harold L. Garwood, of Northwestern university; secretary, Lieut. W. J. Patterson; assistant secretary, Capt. Edward W. Marcellus; treasurer, Captain William C. Bechtold.

Robert B. Chittenden of 1368 Scott avenue left Thursday, November 18, for French Lick Springs, Ind., where he will spend a week. The officers of the firm Mr. Chittenden is connected with take a week's vacation trip annually to French Lick.
