Passaic Strike Topic of Forum Discussion

John Haynes Holmes of New York will speak at the meeting of the Chicago Forum Sunday afternoon, November 21, discussing the significance of "The Passaic Strike."

This months-long strike of textile workers has evolved from a communist organization to a regular union in affiliation with the United Textile Workers of the American Federation of Labor. It has attracted the interest and concern of representatives of government, the churches, and all groups interested in social and public welfare, because of its exposure of industrialism at its worst in America. Mr. Holmes has had active contact with the situation in several ways, particularly in the effort to maintain the rights of free speech in Passaic. He will deal with the strike as an episode in the progress toward industrial democracy in America.

The meeting will be held at the Erlanger theatre, Sunday afternoon, at 3:15.

Mrs. Nunzio Russo, 431 Sheridan road, entertained at dinner Sunday in honor of Mr. and Mrs. V. Lazzari. Mr. Lazzari is a prominent member of the Chicago Civic Opera company. The list of guests included: Mrs. E. Fonama, Mrs. H. Fonama, U. Beduschi, and A. Bernabini. The latter two are also of the Chicago Civic Opera company.
