

The Red Roof in No-Man's Land

Just South of "The Cottage"

Our new electric Fry flusher shoots a forceful spray of kerosene right into the housing and cleans the gears thoroughly of all grit and summer compound.

Now Is The Time
To have Your Car's
Transmission and
Differential
Drained and Flushed
and filled with winter
compound

They are then filled with winter compound which makes gear shifting easy in coldest winter.

Call Wilmette 3379 and we'll call for your car and deliver it back to you.

Make This a
Fur Coat
 Christmas

THERE is no way like the Fur Coat to best perpetuate throughout the year the spirit of the Xmas.

Our stock of pelts and linings is most complete, and consists of the highest grade of materials. Any style that you may want is in our fashion plates and your wants will be well cared for.

Our long experience in the making of fur garments, together with our conscientious service and our pride in fitting you correctly, assures satisfaction.

All work done right here in our own shop.

Winnetka Brunswick Shop
 Offers the Latest in Radio

WHAT'S new in Radio? Operation from the house current was the most talked of advance at the Radio Show.

No batteries—no outside wires—single control—power amplification—sealed construction. These are the new radio developments. RCA has perfected them in the great Radiola receiving sets—has tried and tested them for over a year.

Winnetka Brunswick Shop can show you all that is latest and best in radio, Brunswick Panatrope and Phonographs. Our radio service is most efficient and your wants will be well cared for.

Combinations of Brunswicks with Radiolas

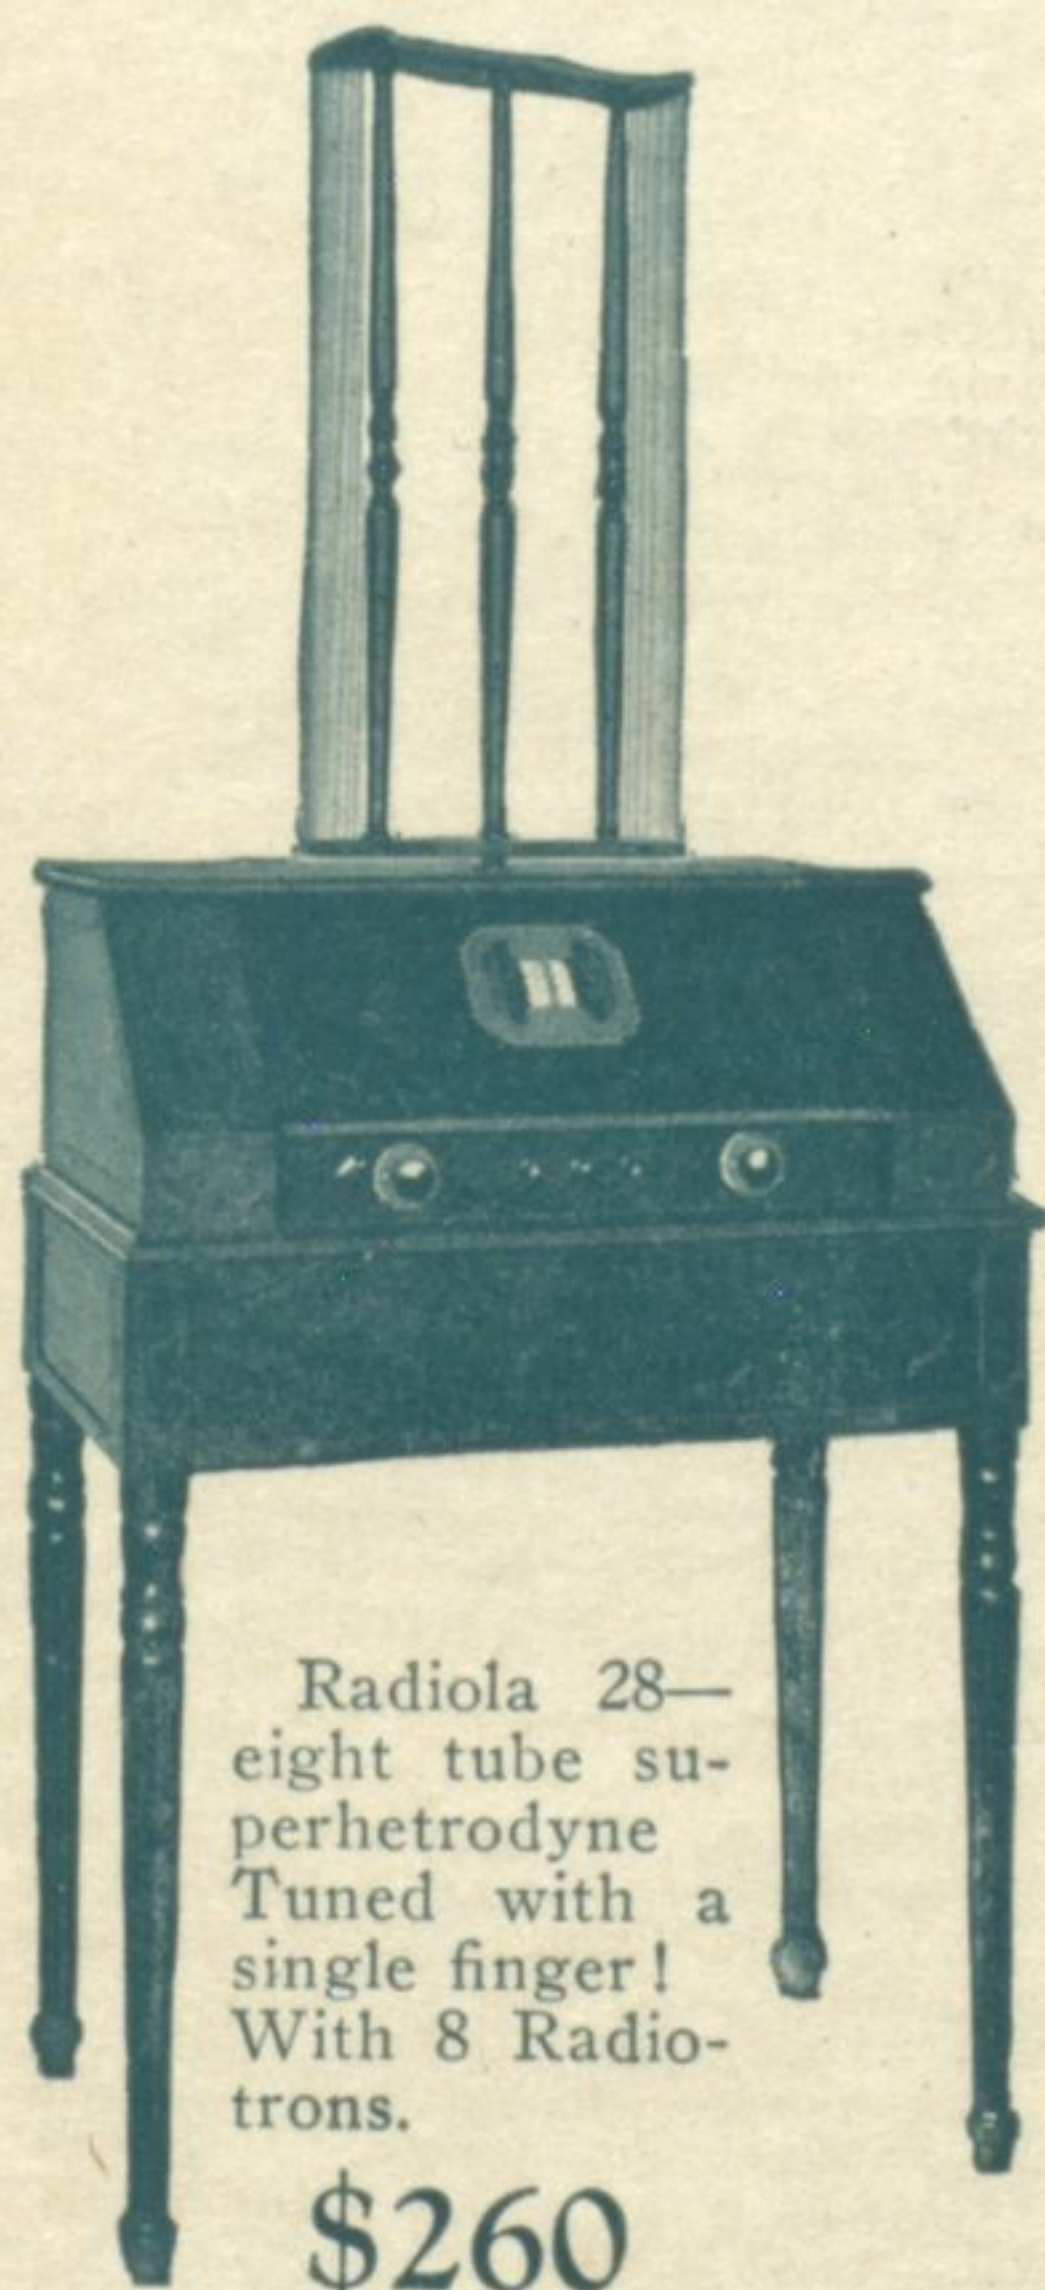

In one beautiful cabinet these remarkable instruments combine recorded music and radio. No batteries—no outside wire—no exposed speaker—complete operation from the electric light socket.

Free Demonstration

Let us demonstrate in your home the Radiola 28 with loudspeaker 104, operating completely from your house current.

Convenient Terms

Winnetka Brunswick Shop offers exceptionally convenient terms to suit your requirements.

Radiola 28—eight tube superheterodyne Tuned with a single finger! With 8 Radiotrons.
