

Camp Reunion Night Date Announced for Tuesday, Dec. 28

The annual Camp Reunion held by the Indian Hill campers will take place the Tuesday following Christmas, December 28, at 6 o'clock sharp, in the Assembly room of the Community House. While details have not been announced, there will be stunts, songs, and the usual fine dinner served. Those who attended the reunion last year will remember some of the soulful songs sung by Fred Rummeler, and his side-kicks, and will also remember the solemn speeches made in honor of the occasion.

With this in view, "Chief" Davies has appointed several dignified members of former camps to take charge of the entertainment which promises to be most hilarious.

Aside from the stunts, the good food and the fine decorations which will comprise evergreens, Chief is scheduled to tell one of his famous stories.

Save the date of December 28, take off your stiff tuxedo, your tight slippers, your scratchy white collar, and don your comfortable flannel shirt, your knickers, your old squishy shoes and have a riproaring time with the bunch.

Miss Bertha Smith, 1412 Edgewood lane, leaves today for Halifax, Nova Scotia, to spend the winter months there with her mother. Her cousin, Miss Belle MacDonald was hostess at a matinee party in Miss Smith's honor last Saturday. She took her guests to see "The Vagabond King."

Mrs. Harry Cadenhead was hostess to sixteen guests at luncheon and bridge Tuesday of this week.

Winnetka Rotarians Fete 150 Boys of Community

The boys of Skokie school, North Shore Country Day school and New Trier High school, who have been playing football, about one hundred and fifty in number, were guests of the Winnetka Rotary club, at the noon-day luncheon, Friday of this week, at Matz hall, Community House.

The affair was under the direction of the Boys' Work committee of the club. Talks were made by the Rev. Thomas A. Goodwin, of the Winnetka Congregational church, and Perry Dunlap Smith, head master of North Shore Country Day School. Father Rotarians were accompanied by their sons.

BURGLARIES AT KENILWORTH

Burglars were reported to have been active on three successive nights in Kenilworth. On Sunday night the home of Benjamin F. J. Odell at 329 Warwick road was entered and ransacked in a search for valuables. As far as has been discovered, however, nothing was taken as silverware and other things were left untouched. It is the theory of the police that the burglar was after cash and not being able to find any, departed empty handed. On Monday night the Edward Marshall home at 140 Kenilworth avenue, was entered in much the same way. As in the case of the Odell robbery nothing of value was taken. The third burglary occurred on Tuesday night.

Mrs. Harry C. Holloway of 599 Sheridan road, Glencoe, entertained at luncheon Tuesday, November 23, in honor of Miss Margaret Orde's bridal party. Miss Orde, whose marriage to Brownell Bradstreet took place Thanksgiving eve, is the daughter of the Markham Ordes of Glencoe.

WINNETKA BUILDING NEWS

Vol. 1 Winnetka, Ill. 36

Here is it, December, and we've hardly had time to get the lawn mower in from the back yard.

John Mills, builder, of 1071 Ash St., Winnetka is building a new home for Mr. W. A. Ladewig on Washington St. near Grove St., Glencoe. It will be thoroughly insulated throughout with **Balsom Wool**. This will keep the house warm in winter and cool in summer.

Take plenty of time, If you're going far, For it may take hours To start your car.

There will soon be a new residence started on South

Ave. near Bluff St., Glencoe. This will be built by the Wm. Salmen Co. for Mr. Wheelock. Our materials and lumber will be used throughout. Notice the quality as the work progresses.

Hell hath no fury like a woman's corns.

This is the time of the year when cheerful grate fires are appreciated. We have on hand a large supply of **Maple Wood** also **Cannel Coal**.

A Chicago paint house got an order the other day for "some striped paint, enough to paint a barber pole."

You don't buy coal for ornament purposes. We don't claim that our coal is particularly pretty, but we do claim that it is full of heat. And that's what you are interested in.

Let's not spell it Xmas this year — what do you say?

We can invite you to trade with us from now until the end of the world. But if we don't please you when you answer our invitation our efforts are wasted. It's up to us.

Yesterday we saw a man in his shirt sleeves wearing overshoes. But is that any worse than a fur coat and silk shod ankles?
