Unusual Program Offered Society

Winnetka Woman's Society Will Hear Missionary from China at December 1 Meeting

The Woman's society of the Winnetka Congregational church will have a program of unusual interest at the meeting on Wednesday, December 1. The Rev. Philip D. Dutton of Taiku, Shansi, China will speak. Mr. Dutton works in close contact with Mr. and Mrs. Paul Reynolds, the representatives of the Congregational church in Chicago, so his visit has a peculiar value.

Although Mr. Dutton is a young man, just returning after his first seven year period of service, he has had great responsibilities. To quote a notice which appeared concerning him, "Mr. Dutton's recent years have been devoted to the building of a fine Community Church in the center of the city, with an Auditorium seating a thousand people and with one wing for men's work and another wing for service among the women and three sunny kindergarten rooms in addition. Mr. Dutton is a strong speaker; a fine product not only of America's finest institutions, but also of America's finest spirit. He will be heard with deep interest in this day of unrest in China. We need the missionary's experience and judgment in order to judge China's future aright."

The society will gather as usual at 10 o'clock for work. A bit of a surprise in the way of entertainment is promised for the morning session. At 12 Mrs. William Ayer McKinney will conduct the devotions. The luncheon hour is at 12:15, following which Mr. Dutton will speak.

Several of Dr. Schneider's enlarged photographs have at different times been on exhibition at Marshall Field's, and as a member of the Prairie club of Chicago, he has a well-established reputation.
