Christmas Caroling to Be on Bigger Scale Than Ever

Christmas carols will be sung throughout the north shore at the coming Yule season and on a bigger scale than ever before, Harry Edward Freund, director of the music research bureau, announces. The enterprise is strictly non-sectarian. An effort to get the tidings to everybody in plenty of time to make their arrangements is being made.

A new book of carols of which the cost of publication has been assumed by A. G. Gulbransen, president of the Gulbransen piano company, is being offered free of charge for any group or community asking for them by communicating with Mr. Freund, 165 East Ontario street, Chicago. This year they expect to distribute an edition of 2,000,000 copies of the carols.

GOTHAM ORGANIST TO GIVE VESPER CONCERT

Chandler Goldthwaite to Be at Baptist Church Sunday; Pease Is Soloist

All along the north shore the inquiry is growing common, "When is the next Vesper concert at the Wilmette Baptist church?" The third season opened with the October recital in which William H. Barnes appeared at the organ and Mrs. Ores Zehr was the soloist.

The second concert of this, the third season, will be given Sunday afternoon, November 28, at 4 o'clock. For this concert Mr. Barnes is bringing one of the great organists of the country, Chandler Goldthwaite of New York.

Mr. Goldthwaite is but 28 years old. He is characterized a natural musician who, although entirely self-taught, was found to have developed at the age of 16 a remarkable piano technique which furnished the foundation of his great success as an organist in later years. Before he was 23 years old he had been chosen city organist in St. Paul, Minn., one of the most prominent positions to be held by any organist in this country.

Playing Creates Sensation

Mr. Goldthwaite's popularity is almost unparalleled in the history of the American organ, it is said. Repeatedly, in St. Paul, the crowds were so great that special police were called upon to handle the situation. The same situation has developed elsewhere when his name is advertised. Mr. Goldthwaite has made records for five different organ companies which is accorded to be itself a record. He has been heard on the air from many stations. Recently a recital played by him in New York was broadcast to Australia and New Zealand. The performance was at 4 a. m. and was received perfectly 13,000 miles away. The station in New York was in direct radio communication with Sydney, Australia, and within fifteen minutes of the conclusion of the program, had a wireless message that the affair was a complete success, the entire recital being distinctly heard in that city.

The soloist on Sunday will be Rollin Pease of Evanston. Mr. Pease is probably the best known singer on the north shore. For years he took the title role in the presentation of Mendelssohn's Elijah at the First Congregational church of Evanston. He is unsurpassed in these parts as an interpreter of this great Oratorio. His numbers on Sunday afternoon will include selections from "Elijah."

HEAR GRAND MASTER

North Shore Lodges of Odd Fellows Addressed by Dr. A. G. Naumann; Elect Officers December 2

By A. H. H.

The North Shore Fraternal Circuit of the Independent Order of Odd Fellows held its November meeting at A. T. Sherman Lodge No. 892, in the I. O. O. F. hall, Wilmette, Thursday evening of last week.

The grand master, Dr. A. G. Naumann of Chicago, was present and delivered an address that was listened to attentively by a large number of Odd Fellows from all the lodges along the north shore. After highly commending the officers of the local lodge for their efficiency and praising the laudable work of its members in their relief of the distressed, the grand master explained a number of plans he intends to carry out for the good of the order. He told about some of the legislation recently passed by the grand lodge at its session last month and gave a favorable account of conditions at the Old Folks home at Mattoon and the Orphans home at Lincoln. There were several other speeches made by members, and their remarks were enthusiastically applauded.

After the meeting was adjourned roast beef sandwiches and coffee were served. In spite of the inclemency of the weather, the lodge hall was filled to its capacity.

The Brothers and Friends banquet, which was to be held December 4, has been postponed until some time in January.

At the next meeting, December 2, there will be election of officers.

Mr. Rickey is best known in connection with major league baseball, but he is also greatly in demand as a speaker and has previously spoken on the north shore at the Wilmette Sunday Evening club. His talk on some phase of athletics pertaining to community life promises to be exceedingly interesting and an attendance of more than 600 villagers is anticipated. The meeting is open to those bringing a son or daughter, either of their own or "borrowed" for the occasion. Various games will be played, contests organized, and a luncheon will be served. The program is in charge of a committee composed of Harry P. Harrison, Noble Gillette and Charles Holmes.

The theme of the talk of this conference will be "Christ in the World Today." Each year between 1000 and 1200 boys attend this conference, representing schools from all over the state. New Trier is sending fifteen boys.

Coach Alonzo Stagg to Give Address at Sunday Eve. Club

Amos Alonzo Stagg, well known as football coach at the University of Chicago, will speak before the Wilmette Sunday Evening club, November 28, on "Playing the Game Square." The members of the club will be interested in having this contact with the man whose career is so closely interwoven with football history on the Midway. What Director Stagg has to say about coaching a football team will be worth hearing. Miss Anna Nyberg, violinist, will play.

Since 1892 Coach Stagg has been connected with the University of Chicago. Until 1900 he held the position of associate professor and director in the department of physical education, and since that time he has been director and professor.

Mr. Stagg started his career as director of athletics at Northfield, Mass., at the students' conference, and at Lake Geneva students' conference, 1889-91.

An A. B. degree from Yale in 1888, an honorary degree, Master of Physical Education, 1912, and the honorary degree of A. M. from Oberlin in 1923 are written down to his credit.

Coach Stagg has been associated with Olympic games, being a member of the American committee since 1906, as well as coach of middle distance runners in 1924.
