for Holiday Money for
A MERRY CHRISTMAS IN 1927

FOR your Holiday Shopping next year, you can have whatever amount you decide upon, if you begin to save regularly and systematically as a member of our

1927 CHRISTMAS CLUB

A few cents or a few dollars each week according to the savings plan you select, will provide a sum sufficient for your requirements. Club classes for every purse.

We are distributing thousands of dollars to our 1926 Club members now. Your foresight now will be similarly rewarded next December with plenty of money just in time for Christmas.
