Have You Enough to Spend When You Need it Most!
Join Our Christmas Saving Club

This is the month that we pay the thrifty folks who last year recognized the advantage of systematic saving in our Christmas Savings Club. These savers are going to have all the money they need for gift purchases.

Prepare Now for 1927

Why don't you, too, follow their sensible example—join our new 1927 Christmas Savings Club opening now? You pay just a small amount each week according to the

bulk amount you think you will need next Christmas. As little as 50c a week brings you \$25. \$1.00 a week gives you \$50.00 plus interest—and so on. We pay interest on every deposit.
