### NAME WALTER MCPEEK AREA SCOUT EXECUTIVE

#### North Shore Suburban Scout Council Names Officers in Session Last Monday

United Front Scout activities for North Shore towns began December 1. At the first meeting of the Executive board of the new North Shore Council of the Boy Scouts of America, held Monday night of this week in the city hall at Highland Park, Albert G. Snite of Highland Park was chosen council president. Vice-presidents chosen were Dr. Douglas H. Cornell of Glencoe; Roy Jarrett of Kenilworth; Dr. George Roberts of Lake Forest and Maurice Mandeville of Lake Bluff. Mr. Henry Fowler of Wilmette was chosen council treasurer. George R. Harbaugh of Wilmette was selected as council commissioner.

The meeting brought a large attendance with almost one hundred per cent of the board members present. A constitution was adopted, the regular meeting night of the second Tuesday of the month, was set, and various forward looking plans were made for the new year.

Following the board meeting, the Executive committee met and considered applications for the local executiveship and selected Walter McPeek, formerly of the Chicago staff and more recently a member of the national field staff.

Mr. McPeek has had a wide and varied Scouting experience dating back more than twelve years. He is a graduate of the University of Chicago and of the National Training School for Scout Executives.

The location of the area headquarters office was discussed, the consideration centering around where the "service station" might be located to be of greatest service to volunteer leaders. The committee is continuing the investigation.

Winnetka men who are members of this Executive board are: Maj. Max Woldenberg and H. L. Woolhiser.
