Three Members of Winnetka Women's Hockey Squad to Compete in Tournament at Baltimore

Three members of the Winnetka Hockey team left this week for Baltimore, to play with the Mid-West Hockey team in the National tournament being held in that city.

Mrs. Lewis Taylor, goal, left Tuesday, November 30; Mrs. Peggy Waidner, center forward, and Miss Margaret DeLay, substitute, both left Chicago on the Liberty special, Thursday, December 2. A special car was reserved for the team on this train.

The honors of the Thanksgiving Day game, played "in and among" mud, on the park at Indian Hill station, were carried off by the husky husbands team, with a score of 5-0. Captained by William Laing, former hockey player in England, the men played an exceedingly swift and clever game. And when they didn't play a swift game, offensively, they proceeded to line up between the goal posts and play in massive formation defensively. The members of the Woman's team declare that such practice is invaluable and accepted the defeat gracefully, realizing that they were the stronger for it.

The friendly game between the North Side team and the Winnetka team, which took place a week ago at Lincoln park, resulted in a tie of 2-2. Following the game, Mrs. Morris Reynolds of Chicago entertained all those interested in Hockey in Chicago and along the North Shore, combining her tea with a farewell party for Miss Cecily Warner, the English coach who has instructed the various teams this fall.

The Championship of Chicago is to be decided Saturday, December 11, at 10 o'clock, at the Country Day school field, when the Winnetka team will play the Midway team. This game will be the windup of the season's activities, and marks the close of one of the most active and successful of hockey seasons. Election of officers for the club will take place sometime during the next two weeks.

Music Society Hears Bach and Members' Travel Talks

Mrs. Dorothy Wing Macauley, founder and honorary president of the North Shore Musical society, talked to the members at their meeting Monday afternoon, November 29, at the home of Mrs. E. L. Essley, 234 Warwick road, Kenilworth. Mrs. Jean MacShane, who has recently spent three months in piano study at Fountainebleau, France, gave a comparison of American and European music. Mrs. Macauley has just returned from a year's sojourn in France and Italy.

A delightful Bach program was given, the members taking part being: Mrs. MacShane, Mrs. Cree, Miss Swigart, Mrs. Akely, Mrs. Neukranz, Mrs. Dazey, Mrs. Weixel, Mrs. Copthorne, Miss Flentye, and Mrs. Hathaway.

Mrs. E. L. Essley was hostess, assisted by Mrs. Dorothy Cordts, Mrs. Frances Evans, and Miss Dorothy Rae. Mrs. Frances Evans had charge of the program.

Shohokon, Henderson county, was once the western end of the "old California trail" and during the height of its prosperity was the trading post of hundreds of frontiersmen.

A Position of Peculiar Advantage

Your investment in a Cadillac motor car is an investment in 100,000 miles of dependable transportation. (This mileage is by no means the limit of a Cadillac's usefulness. There are many in Chicago which have travelled two and three times that distance. But it is a conservative figure—well within the bounds of possibility.)

It is to make doubly sure that these miles be trouble-free, satisfying miles that Cadillac stands back of its automobiles with the convenient and efficient service station of the Cadillac Evanston Branch.

With this large and complete organization to help them enjoy entirely satisfactory use, Cadillac owners occupy a peculiarly advantageous place among motorists.
