

New Trier Sees Successful Grid Season in 1927

Indications point to a successful football season next year at the New Trier High school. With the election of Bob Sweet as captain, a leader of proven merit on the field has been selected and it is to be hoped that under his leadership the football map will be shifted so as to include the local school. Material for the squad seems to be plentiful despite the passing of a number of experienced players, and the dawning of a new season will see the coach coming "more into his own" as the results of his work cover a larger number of the players who will make up the first string men. Another feature of football plans for the coming year is the election of Harold Keith as football manager for 1927. The manager system has proven very successful thus far and with the advent of its second trial it is considered probable that it will be proven even more so.

Little Irene Christianson, daughter of Henry Christianson, 563 Provident avenue, was hostess to sixteen of her friends Monday afternoon at a party given in celebration of her tenth birthday.

Mr. and Mrs. W. A. Sawyer and family, formerly of Columbus, Ohio, have moved to Winnetka and are making their home at 589 Lincoln avenue.

Winnetka Boy Wins Grid Honors at Westminster

Edmond Fulton, son of Mr. and Mrs. Frank D. Fulton of 884 Hill road, has been playing half back on the Westminster school team at Simsbury, Conn, and has been elected captain of the team for the next year.

The Westminster News, the weekly school paper, has come out with highest praise for the Winnetka boy, stating that his election was "well-deserved and due to persistent work and unflinching determination to give his best to the very last second. Outweighed to a man he deserves the highest praise. May such grit prevail in all future captains of the school."

Edmond plans to try out for the basketball team now that the football season is over.
