Brunswick Panatrope and Radiola

We cannot justly describe the music of this wonderful new electrical reproducing instrument, so we ask you to hear it. Absolutely a revelation! Nothing comparable with it has ever been presented.

Panatrope may be used as a loud speaker for your present radio receiving set by making a simple connection with a plug that is provided.

Call on us today for a demonstration. We will gladly arrange this in our store, or your home, and without obligation for you to buy.

Radiola 28
No outside wires. No batteries that show. Everything is concealed as shown above. \$260
