Legion Commander

Dr. Frank W. Blatchford, the new Commander of Winnetka Post No. 10, American Legion, entered the military service in July, 1917, being stationed at Fort Riley until the following June when he was placed in command of Army Field Hospital 41, and the latter part of the same month was sent overseas where he took part in three offensives, Pont-a-Moussen, St. Mihiel and Argonne, returning home in April 1919. Field Hospital 41 remained intact from the time it left Fort Riley until it was disbanded at Fort Dodge and Dr. Blatchford was in command throughout this time.
