

LOCAL HOCKEY STARS MAKE ALL-AMERICAN

Mrs. Lewis Taylor and Miss Peggy Waidner Win Places on Mythical Honor Squad

The Winnetka Hockey team will finish the current season of activity with a list of successful games, several of its members on the Mid-West hockey team, and one of its members, Mrs. Lewis Taylor, of 530 Temple court, Kenilworth, chosen as the goal on the All-American, or United States Women's Hockey team. Another member, Miss Peggy Waidner, of 206 Scott avenue, Glencoe, has been honored by being chosen as the first reserve, or substitute on the All-American team.

The Mid-West team journeyed to Baltimore a week ago, and demonstrated good playing against veteran sectional teams. They first played the South-East team, composed of members from Philadelphia and Baltimore. This team, which had practiced together before, defeated the Mid-West team by a score of 6-2. Then following the game between the South-East team, and the North-East team, composed of members from New York, Boston and Fairchester, the Mid-West group defeated the North-East team 5-1.

Four Make All-American

After this series of games, which demonstrated that the Mid-West team needed practice, but showed up exceptionally well considering that they had played together but little, the All-American team was chosen. The results of the choice showed the strength of the Mid-West group, for there were four from the Mid-West chosen for either first team or reserve positions on the national team.

The United States team played Miss Roberts' team of English coaches and defeated them 3-1, the first time this has ever been accomplished in the United States or England. Miss Carol Rice of the Madison Yellow-Jacket team shot two of the goals, and Miss Peggy Waidner of Winnetka, who played wing for the first time, shot one of the goals.

It so happened that the Winnetka representatives met one of their former colleagues who now is playing with the North-East team, Miss Marion Montgomery of Green Bay road, Winnetka, who was honored by being chosen as a reserve on the All-American team. Miss Montgomery is taking graduate work at Columbia university.

Plan Game Today

The final game for the Winnetka team will take place, weather permitting, Saturday, December 11, on the North Shore Country Day school field, to decide the championship of Chicago. The game will be played with the Mid-Way team of Chicago, at 10:30 o'clock, Saturday morning.

With the season drawing to a close, the Winnetka group has held its annual election of officers for the coming year. Mrs. Thomas F. McLaren of 1004 Pine street, Winnetka, has been chosen president; Mrs. Norwood of Glencoe, vice-president, and Mrs. Wilmarth Ickes of 703 Walden road, Winnetka, secretary. The position of captain will be left open until spring.

Feeling that regular exercise, team practice and the sociability of meeting together should be kept up, the team is organizing basketball for the winter season. In charge of Mrs. Frederick L. Chapman of 557 Elder lane, the first practice will take place Wednesday, January 5, at 8 o'clock in the evening at the North Shore Country Day School gymnasium. Anyone interested in playing basketball is in-

Winnetka's Ten!

(Written in the interest of the Winnetka Memorial campaign)

"Uncle" Frank Whitney, whose verses appear below, has for more than twenty-five years fired the pistol that started the Fourth of July races on the Village Green.

Can dreams come true?
Let's show they do.

A mighty shaft shall,
Pointing high,
Honor the sacred memory
Of those Gold Stars,
Those loyal men,
Who gave their all—
Winnetka's Ten!

Camp Fire Food Sale Beckons to Winnetka Women

"Two cups of sifted flour, one cup of milk, three tablespoons of butter, and flavoring," are some of the magical words the Camp Fire Girls of Winnetka are learning to roll off their tongues as easily as the chef of the Drake hotel, for the girls are preparing for a food sale to be held at the Community House, Saturday morning, December 11, at 10:30 o'clock.

Six groups of girls will take part in this competitive sale, the Otyokawa, Untaluti, Litahni, Wonsicket, Wakan-tahi, and Atiyuhati. Mrs. E. E. Stults of 418 Sheridan road is general chairman of the sale, and has an efficient group of women assisting her as committee chairmen and members.

The pricing committee, which will see that each contribution is priced fairly and legibly, is headed by Mrs. Frederick Thomas of 680 Walden road. Mrs. Thomas has Mrs. Albert Smith and Mrs. Carleton Washburne assisting. The cashiers for the sale are Mrs. Fritz Wagner and Mrs. John R. Montgomery. The judging committee, consists of Mrs. Dudley K. French, Miss Ruth Matz, and Mrs. Taliaferro Milton. This committee will judge the articles displayed by the group, percentage of contribution and variety of foods displayed, together with their appearance.

Representatives from a group of older girls, now inactive in Camp Fire, will be on hand to help, and to contribute to the sale, so that they may still keep in touch with the organization.

Invited to come to the practices. The first game on the schedule for the first basketball team will be with the faculty of the Country Day school. For further information regarding the basketball practices and games, call Mrs. Chapman at Winnetka 1797.

PASSES 99TH YEAR

Francis N. Markley, Father of J. C. Markley, Approaches Last Milestone on Road to Century Mark

To have lived to the age of 99 years, to be in fine health, to have read fifteen volumes of American history during the last year, and to have lived through the strenuous times of four wars, is the record of Francis N. Markley, who is at present making his home with Joseph C. Markley of 777 Burr avenue, Winnetka.

Mr. Markley was born in York county, Pa., December 8, 1827, and spent his boyhood in Wheeling, Pa. When he was still a boy, the roving spirit entered his blood, and together with a chum, hiked from his home to Springfield, Ohio. And in those days there wasn't any such thing as "getting a lift" in an automobile. You hiked, or you stayed home.

Mr. Markley feels that maybe his eyesight isn't as good as it should be, but when it was discovered that through his intense interest in American history he has read carefully through fifteen volumes of the latest word on that subject during the last year, it was felt that after all his eyesight was serving him quite well.

As is customary, his birthday was celebrated with a family reunion Wednesday, December 8, at the home of a relative in Evanston. Two sons, two daughters, and four great-great grandchildren attended this annual party. His two sons are John Markley of Logansport, Ind., with whom Mr. Markley sometimes makes his home, Joseph C. Markley of Winnetka, and two daughters, Mrs. William H. Graffis and Mrs. Elliot James of Ottumwa, Ia.

The annual election of officers will be the principal feature of the evening. Annual reports will be given by the worthy matron, treasurer, and secretary. All members are asked to be in attendance.

LITTLE SYMPHONY HAS NEW CONCERT MASTER

Herman Felber, Brilliant Young Violinist, Will Appear Monday Night as Formal Soloist

George Dasch and his forty-five players will bring a program of unusual interest to New Trier High school Monday evening, December 13 under auspices of the New Trier Orchestral association. Of interest is the appearance, as formal soloist, of Herman Felber, violinist and the new concert master of the orchestra. Mr. Felber has chosen for performance the concerto in D Minor, by Max Bruch, one of the most difficult but most grateful of violin works. The orchestra, under Mr. Dasch's direction, will provide Mr. Felber's accompaniment.

Mr. Felber is regarded as one of the most brilliant figures among the younger generation of violinists. He entered the ranks of the Chicago Symphony orchestra as one of the youngest members in the history of that organization and, after five years among the first violins, became a member of the famous Berkshire string quartet, sponsored by Mrs. Coolidge. During the World war he was conductor of the band and orchestra aboard the U. S. S. George Washington, the ship upon which President Wilson made his European trips. At this time he also organized the Great Lakes String quartet, which later made several trans-continental tours. This quartet is now known as the Chicago String quartet.

Electrical Inspection

Boosts Scale on Permits

In order to cover the cost of all electrical inspections which are now being made by A. B. Krieg, building inspector, the Village council Tuesday evening amended the building code providing for an increase in the building permit fees.

Formerly these fees were \$2, up to and including \$1,000 valuation, and \$1 for each additional thousand dollars.

The new schedule provides for a fee of \$3, up to and including \$1,000, and \$150 for each additional thousand dollars.

For instance, under the former rate, the fee on a \$20,000 house would have been \$21, while under the new rate it is \$31.50.

Police Warn Children Against "Hitching on"

There is an ordinance prohibiting the practice of hitching sleds to vehicles in the streets. It is a dangerous practice prevalent at this and other times of the winter when the snow-covered streets are so tempting to the youngsters to thus get a fine ride. But to do so, the police warn that one not only is violating an ordinance, but is doing still greater harm, by placing oneself in splendid position to be killed.
