FROM all directions people are coming to, or going from, Lord's. It is the center of the Christmas shopping enthusiasm!

And for a store to be what this one is to the gift shoppers of the North Shore is no mere accident. Our plans and our purchases for this season have outstripped by far those of any in the past—and there have been some great Christmases here at Lord's.

P. S. We suggest that there are many substantial advantages in shopping early. One, in particular, that will be of interest to people with children, is that Santa Claus won't be quite so busy now as he will be later.
