### CHORUS OF PRAISE

Villagers Delighted Over Splendid Gift Performance by Players of Winnetka Community Drama Club

By CRITIC

Laughter and tears were close companions and never wholly missing during the lovely presentation of Dickens' Christmas Carol by the Community players of the Community Drama club.

Matz hall was filled both Wednesday and Thursday nights with appreciative listeners.

To every one concerned most sincere praise should be given, and especially to William Boyden, Jr., for his masterly interpretation of Scrooge, to Mrs. Mettler, inimitable as Mrs. Dilber, and to Alber Martin as Morley's ghost. The dancers, the carol singers, the chimes player, who gave "Silent Night," were all memorable and greatly added to the beautiful effect which culminated in the Christmas tree with its star shining through the softly falling snow.

The thanks of the community are due the Community Drama club, and to those members who gave of their busy holiday hours to make it possible. Thanks are due especially to Mrs. Merritt Lum, director, Mrs. Roger Ballard for the costumes, and to A. Montague Ferry and Mr. Goble who directed the stage crew. The properties were taken care of by Mrs. Coyne and Mr. Cary-Curr. The music was arranged by Mrs. Arthur Dean.

The members of the quartet who sang were Sherman Orwig, who sang the solo carol at the beginning, and Davies Lazear, Alfred Freeman, and Arthur Dean. Ludwig Martin played the chimes. Albert Phalin was the fiddler, in place of Alexander Millar, who was ill. The dancers were Mrs. Martin Cassel, Mrs. Edgar Dale, Harry Clarke and Edgar Dale.
