GIVE SACRED CONCERT
A sacred concert was given at the Church of the Holy Comforter, Kenilworth, Sunday evening, December 12, by Mrs. Ruth Waller, contralto; Mr. Albert Hosmer, basso; and Mrs. Irene Zaring, organist. Mr. Hosmer gave a most interesting descriptive talk between each number. The program included numbers from the organ and selections from Handel's "Messiah."

Mrs. Samuel Green of Springfield, Mass., who has been the guest for the past week of Mrs. William Ogden Green of Locust road, is leaving today.

**High School Wins and
Loses First Cage Tilts**

New Trier High school opened its basketball season last Wednesday afternoon by dividing a pair of games with Lake View, the north shore lights winning 15-10, and the heavies losing a hard game, 17 to 11. Mills and Strong starred for the lightweights, and Capt. Waddy Paletti played best for the senior team. For the visitors, Anderson of the lights and Johnson of the heavies stood out above the rest. Johnson, the Lake View captain, was the individual star of the afternoon, making four baskets and one free throw, and showing remarkable floor-work throughout the game.

GIVES XMAS LUNCHEON

Carrying out the true holiday spirit by using red and green as the dominating color in her decorations, Mrs. George Karnes of 151 Fuller lane entertained several Winnetka and Chicago friends at a charming luncheon, Tuesday, December 14, at her home.

The guests included Mrs. Parnell and Mrs. John Strawn of the Sovereign hotel, Mrs. Englander of the Broadmore hotel, Mrs. Singer of Evanston, Miss Blackall of Rogers Park, and Mrs. Kenning and Mrs. Edgar Foster Alden of Winnetka.

Mr. and Mrs. H. E. White, formerly of Chicago, have moved into their new home at 370 Elder lane, Winnetka.

**New Trier Girls
Begin Basketball
Season This Week**

This week sees not only the opening of the boys' basketball season, but also that of the girls who deserve some recognition for their efforts as well as their fellow athletes. As far as New Trier girls are concerned, basketball has always been by far the most popular sport, and from the looks of things this week at the first practices, it promises to still hold full sway.

Basketball will have several added attractions this year in addition to its former lures. First of all, the girls will play two-court basketball instead of three-court as formerly. This type of game is a faster and more interesting one, and calls for players who are alert. Two-court basketball is now being played in all the leading colleges and schools, and so New Trier girls will find it to their advantage to play this game, the athletic department declares.

SISTERHOOD MEETS

The North Shore Congregational sisterhood held its regular meeting, Wednesday, December 15, at 2:30 o'clock, in the Glencoe Union church. Mrs. Alfred Hamburger of Chicago read Channing Pollock's war play, "The Enemy." Mrs. Milton R. Simons of Wilmette was in charge of the meeting.

*Making your
clothes last
1/3 longer*

BY means of our water softener and the rinsing of your laundry in three different suds — your clothes last one-third longer than if they were washed the ordinary way. This is an item worthy of consideration when your weekly wash includes costly apparel and linens.
