

Homecoming Dance a Holiday Contact for Young Folk

North Shore Juniors Have Benefit Dance on Thursday Evening

By JEAN TEN BROECK

With new invitations arriving every day, the Christmas vacation begins to look like one series of progressive parties. Thursday, December 23, offers one night when all groups of young people will have an opportunity to greet each other. The North Shore Homecoming dance will be held at the Orrington hotel en route for those returning from the city and accessible to those who begin their evening of parties further north.

The Barbary Coast orchestra, together with some special entertainment in soft shoe specialties, will provide fun and entertainment for all.

To illustrate how wide has grown the original home circle of boys and girls, the guests invited to only one of the dinner parties preceding the dance include students from the University of Illinois, Northwestern, Abbott academy, Exeter academy, the University of Chicago, Amherst college, Rosemary school and others. One small group spread out in so many directions proves how easy it is for friends and neighbors to lose touch with old acquaintances, unless the home environment offers some easy way of approach and contact.

At this time, when all of the boys and girls have not yet returned from their schools and colleges, much of the planning for their holiday pleasure rests with their mothers, one of whom sends this message to all, "Lest auld acquaintance be forgot' be sure and include this homecoming dance in your program for Thursday evening, December 23."

Tickets either may be secured at the door, or by calling Miss Gwendolen Washington at Glencoe 191.

Cope Harvey Orchestra to Play for Club Dance

The music committee of the Winnetka Woman's club, of which Mrs. William Sherman Hay is chairman, is sponsoring and arranging for its annual Christmas holiday dance for returning students from the various colleges, and for the young people in the villages, Tuesday, December 21, from 4 until 6 o'clock, at the club.

Cope Harvey's splendid orchestra will furnish the music. All club members' children over ten years of age are invited and guest tickets may be obtained for those not sons and daughters of members, at the door.

This annual dance provides the busy younger set the opportunity of meeting informally at a dance given in the lovely new club ballroom.

Hostesses for the afternoon will be Mrs. I. K. Friedman, Mrs. Harry Gottlieb, Mrs. S. George Levy, Mrs. James E. Porter, Mrs. James Prindiville and Mrs. William Van Horne.
