CHRISTIAN SCIENCE SERVICE

The lesson sermon at First Church of Christ, Scientist, on Sunday morning, December 26, will be "Christian Science."

Service will be held in the Masonic temple at 708 Elm street, at 11 o'clock, Sunday school at 9:35 o'clock and the testimonial meeting is held on Wednesday evening at 8 o'clock.

The Christian Science reading room at 526 Linden street, is open daily from 12 until 6 p. m.

North Shore Congregation Israel, Harvey E. Wessel, Rabbi, announces that two Sunday services will be held in place of the Friday evenings of December 26 and January 2—at the Hubbard Woods school, at 11 o'clock. The subject will be "Major Prophets."

Gilbert Barton, son of Mrs. Enos M. Barton of 978 Euclid avenue, has returned from Williams college for the holidays.

OPEN NEW SHERIDAN PAVEMENT TO TRAFFIC

Winnetka, Glencoe, State and County Officials Observe Opening This Friday

Following the completion a week ago of the paving improvement on Sheridan road between the north limits of Winnetka and the north limits of Glencoe at the cost of \$190,000, Sheridan road will be officially opened to traffic at 3 o'clock, Friday, December 24.

Representatives from the village of Winnetka, Merle Waltz, president of the village of Glencoe, and several other members of the council, a representative from the State Highway department, Don E. Marsh and Frank A. Windes, of Windes and Marsh, engineers for the work, and representatives from the city of Highland Park will meet at the corner of Scott avenue, Winnetka, and Sheridan road, to take part in a ceremony opening the road to the public. Messrs. Farmer, Quigley and Walther of the Highway Construction company, contractors for the work, will also be included in the group of officials.

This meeting will formally complete the concrete paving of Sheridan road from Wilmette through Highland Park, work that has either been under construction or in litigation for several years.

State Aid Road

The plan for the paving of the road through Glencoe, was carried out by special assessment and an appropriation from the State Road funds. Of the \$190,000 expended the property owners benefited, paid \$100,000 and the state \$90,000. The state also constructed the three large bridges over the ravines, and a good part of this has been in the courts for three or four years. The actual paving project has been going on since August, 1926.

It so happens that the state has just completed its County line pavement, and the construction of the four County line bridges, so this strip of Glencoe road, together with the state road, will make a continuous strip of 30 foot reinforced concrete pavement running through several villages along the north shore.

John K. Coolidge Home Bought by Evanstonian

Mr. and Mrs. John K. Coolidge, 757 Foxdale avenue, Winnetka, have sold their residence to Mrs. Alice Neeld Schwall of Evanston. Miss M. De Golyer of Hokanson and Jenks, Inc., represented both parties.

Hokanson and Jenks, Inc., report the sale of 3½ acres of business frontage on Dundee road, adjoining the Northfield station of the Skokie Valley line. Title was taken by B. C. Burnham representing a syndicate. While no consideration was given it is understood the price was a record for this vicinity.
