ARE YOU BURNING Too Much Fuel?
Are your upstairs rooms colder than those on the first floor?
YOU CAN CORRECT THIS
I can insulate your house with *Thermofill* the greatest fireproof insulating material at a small cost (\$50 to \$100.) There is practically no inconvenience to you. The saving in fuel easily pays the expense in a year or two. . . . and your house will be cooler in summer.
Estimates cheerfully given without obligation.

Girls Friendship Circle Meets and Sings Carols
The Girls' Friendship circle held its regular meeting at the Community House, Tuesday night, December 21, at 8 o'clock. Due to the fact that Mrs. Dale, who directs the gymnasium class, had left for the Christmas holidays, the gymnasium hour was not held, the group spending its time singing Christmas carols, and conducting the regular business.

Many members of the circle are leaving Winnetka to spend Christmas and the few days following at their homes, so the December 28 meeting will not be held. The next regular gathering will be Tuesday, January 4. Miss Margaret White, daughter of Mr. and Mrs. James White of 1341 Tower road, returned Saturday, December 18, from Carlton college, Northfield, Minn., to spend the holidays with her parents.

Miss Vera May Ogan, daughter of Mr. and Mrs. George B. Ogan of 845 Locust street, has returned from the Boston School of Physical Education, to spend the holidays with her parents.

Cabray Wortley, son of Mrs. Eloise Wortley of 565 Lincoln avenue, has returned from Williams college, to spend Christmas vacation with his mother.

They will cure Cold, or Cough. Will prevent Pneumonia, and Flu.

Paul Pokes Fun at Wilmette's Arctic Climate

It is suspected that Paul Schroeder, the man who gets a new community job every time he lands in Miami, Fla., is kidding us about our Wilmette climate, more particularly at this season of the year.

Paul this week directed a copy of the Miami Herald to the editorial offices, in which there is comment at some length concerning our plight during the water shortage last week caused by an ice clog at the intake 'o the Evanston pumping station.

In a nearby column Paul gets off his bit of fun by underscoring the corresponding temperature for Thursday of last week which found Miamians basking in a clime where the thermometer soared to 81, with the lowest reading of the mercury at 69.

STUDENT DANCE AT CRILLON
The Crillon and Four Hundred club was the scene of a formal party for about three hundred students from Northwestern university on Friday evening, December 17, from 8:30 to 1:30 o'clock.

Mr. and Mrs. Laird Bell of 1352 Tower road and their family, left Thursday, December 23, for Winona, Minn., to spend Christmas and the following week with Mr. Bell's parents, Mr. and Mrs. F. S. Bell.

Mrs. Claude Peck of Cleveland and three children, Betty, Bee, and Marion, are the holiday guests of Mrs. Peck's mother, Mrs. Hermon B. Butler of 715 Prospect avenue.

Mrs. Roger Sherman of Winnetka was hostess to forty-five guests at luncheon and bridge, Monday, December 20, at the Indian Hill club, in honor of her daughter, Eleanor.

Season's Greetings
To his hundreds of friends old and new, Fred Miller extends the heartiest good wishes of the Christmas season.
