**Lincoln Circle Arranges  
a Charity Bridge Party**

“You are asked by the members of the Lincoln Avenue circle to mark this date on your calendar, Tuesday, January 11. The circle announces a bridge party from 2 until 4 o'clock at Community House, with a delightful musical program under the direction of Mrs. William McAdams. Refreshments will follow the bridge and music. Tickets for this party are at a nominal price, the proceeds to go toward materials which the circle will use for Judge Mary Barthelme's girls, for needy little children and for Infant Welfare,” reads a circle announcement.

Miss Martha Gemmell, at Winnetka 321, is in charge of the tables and will arrange for all reservations. Anyone wishing to make such reservations is asked to get in touch with Miss Gemmell.

The Lincoln Avenue circle is one of the prominent ones in the village, having always had a nucleus of devoted members who have been willing always to give of their time and money. Three of the general chairmen have come from this circle, Mrs. Montgomery, Mrs. Allsebrooke and Mrs. Carrie B. Prouty

**IS LUNCHEON GUEST**

Mrs. Samuel William Earle, mother of S. Edwin Earle of 922 Tower road, has been spending the holiday season with her son. She will return to Washington, D. C., Tuesday, January 4, to spend the season at the Mayflower hotel. Mrs. Earle is the recording secretary general of the Daughters of American Revolution, with national headquarters in Washington. She is being entertained today by a number of D. A. R. members in Chicago at a large luncheon given at the Illinois Athletic club.

Ordinarily we do not care to boast but we just can't help bragging a little about selling the Lumber and Building Material for the new \$500,000.00 New Trier School Gymnasium. This goes a long way toward proving our slogan; SERVICE—QUALITY — SUCCESS.

Yes, we have other coals of course, but Solvay Coke is our leader. It seems to meet the demand better than any other coal we have.

Mr. George Gonsalves is starting four new homes on Briar St. and Winnetka Ave. Mr. Anton Wagner will do the cement work.

The W. J. Scown Building Co. have the contract for the new North Shore power house on Lincoln St. north of Pine. We are furnishing the Sand, Gravel and Universal Cement.

We used to stop and stare at a fine looking automobile. Now we do the same at a nice team of horses.

A bore is one who, when you ask him how he is, tells you.

A man over at Geo. Ettinghausen's said he wanted to look at a silver camisole. He probably meant casserole. Peculiar guy

Is Jerry Black, He borrowed five And paid it back.

We don't want to embarrass any lady in this community but how many books have you on your shelves, bought from high pressure agents, that you've never read?

Fred Miller wishes all a Happy and Prosperous New Year--and pledges 365 days more of real food and good service.
