Thermostatic Control!

Every AETNA installation includes a thoroughly reliable AETNA thermostat. It starts and stops on a temperature change of less than two degrees. It guarantees even heat for your home.

A Silent Service of Comfort

NO noise disturbs the home to which AETNA supplies warmth. For as the house temperature falls below the desired level the thermostatic control automatically starts up the AETNA. Not the slightest "roar" is heard to dull the edge of one's enjoyment of this silent, comfortable service. AETNA can be installed in your heating plant easily. It will bring you such enjoyment as you have never known before. It is clean, safe, dependable and efficient—the *perfected* product of a pioneer manufacturer.
